City explains land purchase

The St. Albert and District Chamber of Commerce pulled back last week from organizing a petition berating St. Albert council for what had been alleged as illegal expenditure of \$1,457,000 in the purchase of 67 acres of the Campbell Industrial Park April 1.

At the end of a special meeting with the Chamber - St. Albert Mayor Dick Plain and City Manager Bob Byron April 14, the Chamber un-

animously voted to keep away from organizing the petition while admitting the right of the individual to "have a go at city council."

Both Vince Maloney and Dr. Bill Cuts warned the Chamber away from the petition route.

The Chamber, or individuals for that matter would have been hard pressed to pressure in time for a plebiscite on bylaw 9/77, where the city declared its

intent to borrow \$3½ million for the purchase of industrial land. Deadline for petitioning would be reached by April 21.

There was a tense moment at the beginning of the April 14 information meeting with former mayor of St. Albert Ray Gibbon and the present mayor Dick Plain.

No tax increase for District 3 ratepayers

Ratepayers in the Catholic school district will not face any increase in their school assessment for the 1977-78

school year. The budget, brought down by trustees of school district 3 Monday night, will expend a total figure of \$4,225,000, contrasted to last year's figure of \$3,854,682.

The district will receive provincial grants totalling \$3,439,975 and will requisition the City of St. Albert for an amount of \$633,212. The budget allows for a deficit of \$70,000.

The 1977-78 budget was drawn up based on a projected enrollment of 2,300. This figure is down 175 from last year. The decline in enrollment reflects the withdrawal of Sturgeon students

from the district to attend the new high school at Namao. The mill rate will remain the same at 27.28.

HIGH SCHOOL FEES

Before trustees went into committee of the whole to discuss the budget, a presentation was made by Paul Chalifoux, concerning the possibility of additional high school fees for certain courses. Mr. Chalifoux told the board that the high school staff felt these fees were necessary to make up a loss of \$5-6000 in the Instructional Materials Budget. Please Turn to Page 2

Mayor blasts Journal editorial, empire

Both Mayor Dick Plain and Alderwoman Myrna Fyfe blasted the Edmonton Journal for a recent editorial with "erroneous comments" on St. Albert's transit system and its piecemeal annexation of lands around Edmonton.

Ald. Fyfe commented that St. Albert had led the way for controlled growth rather than piecemeal annexation and she asked the Journal to

come forward with an apology and a correction.

Mayor Plain slammed "ignorance in the senior levels of the Journal editorial staff."

"They relegate us to the District Page and throw in Calgary (on the District Page)," the mayor complained.

Mayor Plain was also unhappy about the "Journal

empire" which was being maintained partly because "one monopoly loves another, they're both in for the ride."

Mayor Plain requested that the publisher of the Journal "come out and acquire some education," adding that the Journal covered the Metro area, but then ran down the communities in it. What made him more bitter was the fact there was a population of 120,000 outside the Edmonton area.

Mayor Plain pointed out that when Edmonton was thrown out of the recent LAB hearings on a major St. Albert annexation, that happened because Edmonton had no legal right to be there.

No major upsets for city taxpayers

By Jim McIntyre
City taxpayers can now see what is in store for them in the coming year with the striking of the mill rate by city council last Monday night.

There are no major upsets or surprises, but there is still a heavier tax burden on Catholic ratepayers than Protestant.

Also included in the 1977 budget is a \$79,901 ambulance service which will hit the taxpayer for \$20 a year.

Looking at the total outlay for the average household in St. Albert assessed at \$8,000 St. Albert Public School District #3 supporters will cough up \$716.00 for this tax year. Protestant Separate

School District #6 supporters will pay out the lesser sum of \$636.96 for 1977. The total mill rates [respectively] for each district are 89.50 and 79.62.

Last year catholic taxpayers were putting out a total outlay of \$676, separate school district supporters \$606.48. Please Turn to Page 2

Higher business tax an injustice claims mayor

St. Albert Mayor Dick Plain complained that an injustice was being done "throughout the province" with higher business taxes, at the regular meeting of the St. Albert and District Chamber of Commerce last Wednesday.

The higher business taxes

are for the school foundation levy to support education in Alberta.

The 35 or so business people at the meeting were disturbed at hearing the news about the higher taxes.

Those at the Chamber meeting immediately asked Please Turn to Page 2

New hockey team in St. Albert by fall?

By Jim McIntyre

It looks as though the Spruce Grove Mets hockey team will be coming out to St. Albert this fall.

City council last Monday night carried a motion to agree in principle to support the Junior A hockey club in St. Albert.

But it was the carrying of two other key motions which virtually guaranteed that the Spruce Grove Mets, would be in St. Albert next hockey season.

A motion from Alderman Barry Breadner just nipped through at 4-3, and gave council's commitment to providing ice time for the new club, possibly in St. Albert's new arena. The new arena is set for completion in October this year.

The team is slated to play 30 home games and Alderman Breadner thought that everything possible should be done to accommodate the team in that difficult period from October to November - the time when hopefully the arena would come on stream.

Alderman Rod Thronson expressed reservations about being able to fit another 30 games on the home schedule, (particularly if the new arena was not ready on time).

Mayor Dick Plain wanted more flexibility in the motions and he finally pushed through a motion which would see an incorporated schedule being brought to

council before the next hockey season gets underway.

No doubt group chairmen for the new hockey club Tom Please turn to Page 7

'Skeeters' will be sprayed after all

The MD of Sturgeon has rescinded a motion to stop St. Albert's mosquito spraying program in MD lands this summer, partly because of pressure from the Alberta Department of the Environment.

The rescinding motion was made at the regular meeting of the MD last week.

An original motion calling for the MD to co-operate with

St. Albert's spraying program around Big Lake looked as if it might be a foregone conclusion at an earlier MD meeting in March. But complicated handling of the motion resulted in it being thrown out, and it looked as if local mosquitoes might have been in for a "bonanza."

Alberta Environment got Please turn to Page 7

LAB hearing up date

The Local Authorities Board hearing into St. Albert's massive annexation for 5,700 acres of land around its north east, south and south east boundaries was adjourned at noon today.

The hearings will get underway again April 28 and 29 when the hearing is expected to reach a decision on

the St. Albert annexation. Mayor Dick Plain, talking to the Gazette late Tuesday afternoon, seemed to be optimistic that a decision would come down in St. Albert's favour.

If the hearings have not finished by April 29, they will be postponed and will start up at a later date.

no upsets

Cont'd From Page 1

In the municipal sector of the budget (including the library), the average household will contribute \$493.76 with a 61.72 mill rate, up \$40 from last year.

Breaking down the figures even further, Catholic school supporters will pay the same as last year for education, \$222.24 (mill rate still 27.78).

There is a slight break for separate school supporters paying \$143.20, down from last year's figure of \$152.72. This is because of a decrease in the mill rate from 19.09 in 1976 to 17.90 in 1977.

At city council Monday night, before council gave their assent to the tax bylaw (17/77) Mayor Dick Plain had time to sympathize with the business segment of St. Albert who will see a significant increase in their taxes this year.

Mayor Plain showed how a business in St. Albert assessed at \$20,000 will be hit

with heavier taxes because of a jump in the school requisition mill rate from 25.47 last year to 42.35 this year.

Last year's total tax burden to a business assessed at \$20,000 was \$2024.20 but this year it goes up to \$2439.

Mayor Plain said he hoped the Chamber of Commerce would address itself to this problem, "when we have increases for whatever reason," and emphasized his opposition to "increases of this magnitude on the small business sector."

And even though a new ambulance service had been included in the year's budget, Mayor Plain termed it a "no frills" kind of budget. Earlier he pointed out that St. Albert had held increases in expenditure to 6.28 percent over the past year. This was in light of a 12 percent growth rate in St. Albert over the same period.

The total outlay of expenditures for St. Albert this year has been set at

\$9,433,130. This includes \$7,699,627 for municipal purposes, \$1,606,963 for education and \$126,540 for library purposes.

injustice

Cont'd From Page 1

the mayor if there were ways St. Albert could alleviate the new tax burden which could work out to a large increase for the individual business in St. Albert.

Both Ray Gibbon and Dr. Bill Cuts asked if the City could alleviate the tax burden, Dr. Cuts asking, "If you reduce taxes, will you put it on private property?"

Mayor Plain termed Dr. Cuts' question a "policy" question, adding that he was welcome to put it to the council. But Mayor Plain also said he was not prepared to support (reductions) every time the provincial government increased taxes.

One way of beating these problems the mayor suggested was to bring into use serviced land for industry.

The mayor had obviously done his homework before he addressed the Chamber on the business tax hike.

He explained it arose out of an increase in the equalized assessment on industrial and commercial lots from \$5 million to about \$9 million.

Mayor Plain pointed out that St. Albert was not unique in this "bad news" situation and gave a long list of other Alberta communities affected by the increase in the equalized assessment.

Leduc had a 128% increase, Innisfail 63%, Grand Centre 48% and Fort McMurray 47%, to name a few cases.

Mayor Plain said he had seen the minister for municipal affairs about the problem asking if the increases could be spread over three years, particularly in a "province where there was a surplus of over one billion a year."

Mayor Plain told Mr. Gibbon, who feared that "businessmen would end up pricing themselves out of the market" that it must be the provincial government who lowers the tax, as "municipal

government" has limited resources."

Mr. Gibbon also pointed out that a proper reassessment of the tax base in St. Albert would make quite a difference to the businessman.

Mayor Plain replied that St. Albert had to do it within a year of its change of status from town to city.

Roger Lemieux told Mayor Plain he believed it was possible to fight city hall and the provincial government and, if prices went up, the general public would say "what the heck is going on?"

The St. Albert Chamber will send a letter to the Alberta Chamber of Commerce to get after the provincial government on the recent tax increase.

District 3

Cont'd From Page 1

resulting from reduced enrollment. These fees would be instituted in Business Education, Science, Art and Industrial Art.

However, in questioning Mr. Chalifoux, the board determined that the high school had provided no contingency plan should a student or his parents decide they could not or would not pay such fees. Trustee Peter Freeman asked what would be done in this event, and Mr. Chalifoux replied that should the board approve the fees, they would be mandatory, and any student not paying would be denied entry into the course. Mr. Chalifoux said that refusal to pay had not been his experience in St. Albert. However, Mr. Freeman said he felt the board would be acting improperly if they were to deny access to courses to the children of people already paying taxes for that purpose. Mr. Freeman asked that the Central Office get together with the high school to further discuss the matter, and the issue was tabled.

fence

ing of council last Monday night.

A FLAT OUT LOSER WINS A PRIZE

A special sidelight on the awards program of the St. Albert Curling Club at the Legion Hall Saturday night was the funny speech by Manager Bill Hite who described with tear-jerking phrases the plight of an unfortunate lady curler who was born to lose. No matter how she tried - and she tried hard - this poor girl just couldn't make it on the curling ice and always came home empty-handed. As Bill pointed out, many women in the audience were wondering who was due to get called up front. Shirley Parkin was the recipient of a curling broom, mounted on a board, proudly proclaiming that she had been awarded THIRD place in the sweeping department.

Karl Nett, speaking for the residents said they were considering appealing their tax assessment if better fencing did not replace present fencing in the Langley Park and Ronald Harvey school area.

There were complaints that there was little or no privacy for residents bordering the area and that some residents were considering action on their own (regarding better fencing).

The residents who were filing their complaints in the petition lived on Larose Drive, Laurie Crescent, Lambert Crescent, Leon Place, and Langley Avenue.

Among the more serious complaints were that vegetable gardens were being trampled upon, or raided by vandals.

Mr. Nett feared there was no guarantee that what was happening in the Lions Park, where the theatre stage was

strewn with beer and pop bottles, would not happen in Langley Park.

Alderwoman Myrna Fyfe feared that if the city did put up new fencing it would be setting a precedent as "many other parts of the town had the same problem."

However Mr. Nett scored many points with council and Mayor Dick Plain has ordered that his staff should get more particulars on the situation. Then there will be another meeting with the City and Mr. Nett.

Board okays modified High School program

A modified Senior High School Program at Paul Kane High School was the main item of discussion at the regular meeting of the District 6 School Board Wednesday night. In the absence of Chairman Bill Webber, Dr. William Cuts was in the chair.

Trustee Don Munro reported for the Education Committee that they had been looking at the need for such modified program. Superintendent Elmer Gish had studied the matter and discovered that there was such a need. Despite the fact that Paul Kane offers students a reasonable variety of elective courses in Industrial Education, Home Economics, and Business Education, as well as academic courses, a fair number of Grade 10 students have difficulties in their first year of high school.

For a number of these students, this lack of success can be attributed to a combination of poor attitude, lack of understanding of the high school program, intellectual and emotional immaturity. The present program at the school satisfies the needs of the average and above average students aim-

ed toward academic and business fields. However, it does not suit the needs of students having difficulties.

The modified senior high school program would be established to provide a first year program for students leaving junior high with a below average achievement, but with generally better ability than those referred to the Edmonton Trades and Service Program. The new program would help students who enter high school while weak in some areas. Up until now many of these students having difficulty with high school work have dropped out. It would also be of benefit to the committee felt to those students with better ability than those referred to the Trade and Services Program but who are not ready to begin a vocational program. Lastly, it will help those students who will probably get a high school diploma but who need to improve their skills.

10% NEED SPECIAL PROGRAM

Mr. Munro told the board that up to 10 percent of the student population requires

some kind of special program. He said that such a program could end up being of great benefit to the student taking it. Assistant Superintendent Bob Prather said the attraction of the idea was that it "was not a dead end program," as after a year a student could move on to other things.

It has been recommended that the program be limited to 30 students, and that two teachers offer modified courses in mathematics, science, English and social studies. The recommendations further suggest that the two teachers be faculty advisors and work with attendance, discipline and other problems.

It was also advised that the students be integrated into the regular high school program during the afternoon. Mr. Prather commented that this would prevent a sort of "Welcome Back Cotter syndrome," where students in special programs are sometimes isolated from the rest of the school.

Mr. Munro moved that the board approve the introduction of a modified High School Program in Paul Kane High School effective in the 1977-78 school year. The motion carried.

Continuing his report from the Education Committee, Mr. Munro reported that information was being gathered on student evaluation, promotion and reporting practices. He said the committee felt the board should have district-wide policies in these areas. The committee will discuss the matter and report back to the board. He also stated that recommendations will be made to the committee concerning accommodation, transportation, registration in kindergartens.

Trustees approve playground location

At Wednesday night's regular board meeting, a delegation from the Langley Park Creative Playground Society was given permission by trustees of school district 6 to locate their playground on the grounds of Ronald Harvey School.

The delegation, consisting of Ronald Harvey School Principal Jack Bauman, and architect Gary Frost, told the board that the former decision to locate the playground on the ball diamond adjacent to the school had been rescinded. Unfortunately however, due to confused communications, the playground society had covered the one diamond already with 5,000 cubic feet of clay fill, with some overflow onto the two other diamonds. However, the diamonds will be cleaned up by the society.

Trustee Don Munro moved that the playground society be granted permission to locate the playground on the grounds of Ronald Harvey School, with the City of St. Albert responsible for ground maintenance as stated under the terms of the Joint Use Agreement.

However, Mr. Munro refused to include in his motion one sentence contained in a letter from the city to the board saying that the playground should be "satisfactory and acceptable to Mr. Corrigan," the city engineer.

Mr. Munro said that as the playground was on school property, that "Mr. Corrigan doesn't have much to do with it!" Trustee Shirley McCaffery flashed back a response to this saying, "The West Grandin School was on school property and he sure had a lot to do with that!"

Mr. Munro answered "Yes, but there isn't any West Grandin School!"

Mrs. McCaffery asked that the motion be tabled pending discussion by the Joint Use Committee. However, Mr. Frost spoke up, asking if

approval could be granted immediately, as the committee was on a tight schedule to complete the playground. Trustees then voted on Mr. Munro's motion, which carried.

The board was thanked for

their prompt approval by Mr. Bauman, who additionally informed the board that the playground society had received a \$4,000 grant from the Kinsmen for the playground.

Parade opens Minor League

St. Albert Minor League Baseball season will open here on April 30, and to start the year off, a parade will be held. The participants will assemble at the Percy Page Centre at 9:30 a.m., and march along Perron Street and up to Paul Kane School baseball diamonds. Once at the diamonds, the Skyhawks of the Canadian Forces Parachute Team will stage an exhibition and three jumps.

Business people wishing to participate in the parade can enter floats, and antique car clubs and clowns are also welcome. Youngsters are also invited to enter with their bikes, and prizes will be awarded for the best decorated bicycles. All the teams in the league will be marching, in their uniforms. Over 300 youngsters play on the various teams.

An added attraction will be the vehicle conveying the dignitaries. Northern Volkswagen has loaned its ex-

tended convertible Volkswagen for this purpose.

Anyone wishing more information about the parade may phone Gerry at 459-5247.

Fashion show to aid handicapped

The Family Support Committee of the Gateway Association for the Mentally Handicapped and the Edmonton Activettes are having a luncheon and Children's Spring Fashion Show on Saturday, April 23, 1977 at 12:30 p.m. at the Edmonton Seven Hundred Wing, 11240 - 117 Street, Edmonton, Alberta. Tickets are \$5 per person and may be obtained by sending a cheque or money order to the Family Support Committee, 6003 - 137 Avenue, Edmonton, Alberta, T5A 0P1.

THANK YOU

The staff at Vital Grandin School would like to thank all those who participated in our 7th annual Flea Market, April 6th.

The raffle winners were: (1) Ted Payne of Edmonton - the Corning Ware Cookset; (2) Alex Chiasson of St. Albert - the Shillcraft Cushion; (3) P. Norton of St. Albert - the 15 lb. Turkey. Winner of the jellybean count was Mrs. Irene Cherkas.

Thank you for all donations of time and merchandise. Over \$1,000 was collected for the Share-Lent program.

IRENE GAGNE, P.R.

Mr. Brown is upset

Fred Brown, a lively, outspoken senior citizen who lives on Belmont Drive is upset.

He learned that senior citizens get special rates on Capital Cable and on April 14 Mrs. Brown telephoned the business office of the company in Edmonton to enquire about these special rates.

She was informed that in fact seniors who live in lodges or apartments in some areas are receiving special rates, but St. Albert is not such an area.

"What I want to know is why?" said Mr. Brown, who has cable service. He feels there are many senior citizens in St. Albert who would really benefit from special rates, and that Capital Cable should treat all senior citizens equally.

When the Gazette called the business office of Capital Cable in Edmonton we were informed that for seniors such as the Browns who live in a house no installation fee is charged, but they pay \$7

per month. Some senior citizens in lodges pay \$18 a year, (which amounts to \$1.50 per month) but they must pay the \$18 for a year in advance and there is no refund allowed. Other seniors in lodges are charged \$7 per month, Capital Cable office stated.

It appears Mr. Brown has a point!

WE MAKE HOUSE CALLS

The Cancer Society's annual crusade for funds is still very much a personal appeal.

Here in Alberta thousands and thousands of volunteer canvassers give freely of their time and effort to work on a "one-to-one" basis with you. During April Cancer Month they try to call personally at every home in every neighborhood, so that we all have a chance to give and to help prove that cancer can be beaten.

Volunteers also distribute Cancer Society literature; this year when they call they will give you a copy of the hope-inspired pamphlet "Good News About Cancer." And of course these official canvassers are authorized to issue income tax-deductible receipts for your donation.

Expect your Cancer volunteer's "House Call" at your home soon. Be generous in your donation.

But if the canvasser should happen to miss you, you can mail your contribution to the nearest Canadian Cancer Society office. Your local unit and the canvasser in your neighborhood will receive the credit for collecting your donation.

Alberta Division

St. Albert Council Briefs

Following are highlights from the regular meeting of St. Albert council, (committee of the whole) April 12 in the city hall annex. Mayor Dick Plain was in the chair and all councillors were present.

THERE WERE SEVERAL interesting developments at the committee of the whole meeting. St. Albert residents are now looking at the definite possibility of having a new arena and pool. A motion was passed that the low bid of Poole Construction for a \$1.3 million arena be recommended to council for acceptance. Also to be recommended to council was the low bid of Harsim Construction at \$2,104,110 for the construction of a swimming pool.

The swimming pool will be located in Fountain Park on

the corner of Cunningham Road and Sir Winston Churchill Avenue. Akinsdale is the site for the arena, south of Akins Drive on Hebert Road.

Construction of these major projects should begin soon. The pool may be ready by January 1978 and the arena should be ready by late fall.

ST. ALBERT COULD have a multi-million dollar shopping complex by August 1978. Representatives from Abacus Cities and Hudson Bay Company were at the committee of the whole meeting with respect to the Abacus proposal for the new centre. A spokesman for Abacus said his firm had obtained a firm option on land from Abbey Glenn; a letter of intent had been received from the Hudson

Bay Company and the development agreement between St. Albert and Abacus Cities had been delivered to the city and was ready for execution.

Site work on the shopping centre could commence in May or June with the centre opening in August of 1978. The site is bordered by Bellerose Drive, the Sturgeon River and Highway 2. The first stage of the development shows space for 255,000 square feet.

Concern was expressed by members of the committee that the major food store in the centre may be a Safeway store. It was suggested that this would eliminate fair competition as the only supermarket in St. Albert at this time was a Safeway. A spokesman for Abacus Cities said if (Safeway) were successful in locating in the new centre, they may close their present store, enabling a competitive food store to lease the space.

Daon Developments' Rod Schroeder was also at the committee meeting. They

have a proposal for a downtown shopping centre with about 270,000 square feet of retail space. Mr. Schroeder has stated it would not be possible to go with that development if the Abacus proposal was proceeded with. There is only a demand for one major shopping centre in St. Albert at the present time, he added.

The Hudson Bay Company, also in on the Abacus City proposal, said that the company has St. Albert expansion in its 10 year long range plan.

The joint proposal will come up before the Hudson Bay Company's board of directors May 20.

THE COMMITTEE discussed a presentation for a new \$1.4 million city hall which will locate in the downtown area (if it is finally approved.)

Mr. B. J. Graham and John Rickliffe made the presentation for the hall which is said to be "basic" and economical. Mr. Graham told the committee that con-

structing the building on a project management basis would avoid delays in construction as it could begin within 12-16 weeks.

There was the general feeling that although there was a need for a new city hall, "matters with respect to assessment of future space requirements and finances must be investigated. It was also suggested public input was required.

ST. ALBERT is going to look into improved street cleaning following complaints from resident R. Wheatley "that due to the city only having one sweeper, it is mid-summer before the street-cleaning is completed. He suggested that equipment needed upgrading because of St. Albert's large growth.

Mr. Wheatley was told however that in the city's opinion one street cleaner and flusher are adequate to meet St. Albert's needs.

COMMITTEE OF the whole have agreed to recommend to council there should be support for Junior A hockey in St. Albert. The motion came when committee considered a proposal by a group of St. Albert residents to purchase the Spruce Grove Mets Junior A hockey club. There was general agreement to having the team play out of St. Albert, but only on condition it does not take ice time away from present users.

ARISING FROM the mon-

thly report from the City Manager was a query with respect to the forming of the Community Services Advisory Board. The Board will be holding an organizational meeting in the very near future where the responsibilities of the board will be discussed.

COMMITTEE OF the whole moved that St. Albert wishes to reaffirm its agreement with the existing land uses under the Preliminary Regional Plan for the area between Edmonton and St. Albert, until current annexations are dealt with.

IT WAS RECOMMEND- ED to council that they accept the low bid of Wells Construction for the 1977 pavement recapping program. This is with the addition of \$5,782.78 for the recapping of Mount Royal Drive, for a total amount of \$53,124.48.

When tenders were opened for the pavement recapping program, Northwest Maintenance and Paving tendered \$107,198.00 for the recapping program, the highest bid among seven firms applying to work on the program.

After listening to her husband's tirade, the wife remarked: "You may not have had a happy childhood, but you're certainly having a long one."

St. Albert Transit signs of change

**By Bruce Smith
City Information Officer**
You may have noticed the new Transit Zone signs throughout St. Albert - but that's not the only change the city is making to improve bus service for residents of St. Albert.

In addition to more clear identification of bus routes, schedule and fare changes will be initiated on April 24,

1977 to overcome other deficiencies expressed by users and operators alike.

THE GRIMBLE REPORT

In response to complaints ranging from missed connection to lost buses and driver disenchantment, council authorized a study by the Grumble Consulting Group - to investigate the areas of deficiency and identify

alternative solutions.

The Grumble Report, presented earlier this year, isolated a number of requirements, the most critical of which were to:

Increase the travel time between St. Albert and Edmonton, particularly during peak hours;

Minimize the number of routes one driver is responsible for during a shift;

Improve the information provided to the public; and to Review the feasibility of separating the local services from the line haul services.

With the schedule changes being introduced this week, coupled with new, simplified transit information for users, the major recommendations of the Grumble Consulting Group will have been implemented.

SCHEDULE CHANGES EFFECTIVE APRIL 24

The present schedule featured interlining of routes with most buses running different routes and never the same run twice. Because of this interlining of buses,

service to downtown Edmonton has varied with intervals of 22 minutes and 38 minutes.

The new service will have one bus circulating in Lacombe Park and one bus circulating in St. Albert East from 5:53 a.m. to 8:18 p.m., providing fixed, 30 minute service to the bus terminal.

Three other buses will provide 30 minute service to downtown Edmonton, St. Albert West and Youville Home.

During peak hours there will be 15 minute service, with eight buses commuting and two circulating within the City supplemented by school buses running in the opposite direction.

After 8 p.m., the service will be hourly using four buses until 10 p.m. and then two buses until 1 a.m. The Saturday schedule has been extended, with the last bus from 118th/124th to St. Albert at 12:12 a.m.

The simplified schedule, with fixed routing and running times, should make the St. Albert Transit System more understandable and

efficient for users and operators alike. And increased running times should help to avoid missed connections.

The cost of increased service is expected to be offset by fare increases and increased ridership.

FARE INCREASES - EFFECTIVE APRIL 24

A fare box system is being implemented, ending the practice of operators issuing receipts and improving control over revenues attributable to the St. Albert System. The new cash fare structure

is as follows:

*From St. Albert to Edmonton - Adults 70 cents (now 60 cents); Children (6 - 15 years) 45 cents (now 35 cents).

*From Edmonton to St. Albert - Adults 70 cents or 35 cents with ETS transfer; Children (6 - 15 years) 45 cents or 30 cents with ETS transfer.

*Within St. Albert - Adults and Children - 25 cents (now 20 cents).

Monthly Passes will cost \$20.00, up from the current \$17.00 rate, and Senior Citizens Passes will be \$5.00.

Mayor delighted with \$700,000 road grant

St. Albert Mayor Dick Plain was delighted at city council last Monday night as his council authorized a \$700,000 arterial roadway capital assistance program from the provincial government for 1977-78.

The grant, a maximum amount, will be used for major construction improvements to Hebert Road, Sir Winston Churchill Avenue and Gervais Road.

The letter to St. Albert

from the Department of Transport says:

"The co-operation received from all cities in submitting their individual program submissions on or prior to the deadline stipulated, coupled with the restructuring of my Department's Urban Transportation section has resulted in this year's notification of the shareable roadway project approvals being forwarded earlier than usual."

Paul Kane to stage dessert fashion show

The graduating class at Paul Kane High is holding a Spring Fling in the form of a Teen Fashions Show on Tuesday, April 26 at 8 p.m. Young women and men from the school will be modelling graduation outfits, along with sportswear from nine local and Edmonton firms. Two teachers will also help model the clothes.

Dessert and coffee are being served in conjunction with the show (thanks to the co-operation of mothers) and the models will walk among the tables showing off their outfits while Kriss Iddings and Brad Trent provide descriptive commentary. Ted Dykstra at the piano will lay

on the appropriate musical accompaniment.

Funds raised by the show and dessert will help with the costs of the graduation dance and tickets at \$3 are available from Theresa Russell at 459-8274 or Louise Poppitt at 458-2898 or from students at the school.

The students have planned a really fine evening, with members of the Paul Kane Drama Club lined up to do a skit, and lots of door prizes, made available by local merchants. The Drama Club is presently rehearsing for their upcoming production of Tom Jones next month.

The event is to be held in the cafeteria at the school.

Senior Citizen Home Improvement Program PHASE TWO

Now available ... Phase Two Senior Citizen Home Improvement and Repair Grants.

Phase Two of the Senior Citizen Home Improvement Program commenced April 1st, 1977.

This is a 'one time only' grant. Any person or the spouse of any person who has already received the grant is not eligible to apply again.

If you are:

- 65 years or older,
- a Canadian citizen or a landed immigrant with a minimum of 10 years residency in Canada,
- have lived in Alberta one year,
- an owner or joint owner of your house and live in your house nine months of the year,
- a recipient of the Alberta Assured Income Supplement OR your income when combined with that of your spouse did not exceed \$9,000 for the year 1976.

You may qualify for a grant between \$500.00 and \$1,000.00. The amount of the grant is determined by the total income of the applicant and his spouse.

Brochures and application forms are available at your nearest branches of the following financial institutions:

- Alberta Treasury Branches • Chartered Banks • Participating Credit Unions OR Senior Citizen Drop-in Centres

Further information can be obtained by contacting:

Conflict resurfaces on Shell property zoning

By Jim McIntyre
The St. Albert Forest Lawn and District Association has been given an invitation by City Council to discuss the future use and zoning of the "Shell" property.

Last December some controversy arose about a major commercial development located on land bounded by Fairview Boulevard, Fairchild Drive and the Vince Maloney School.

The matter then slipped away from city council for some months, but resurfaced last Monday night when Bill Shields of the St. Albert Forest Lawn and District Association gave city council an update.

When a general meeting of the Association met March 21, it was decided to ask St. Albert council to rezone Lot A, Block 22, Plan 5267 R.S. from C-2 to R-1.

Mayor Dick Plain informed Mr. Shields there were possibilities for an alternate

use of the site other than totally commercial, "a matter that augured well for some kind of a compromise."

While the matter finally got back to council and will come up at the Municipal Planning Commission, there seems to have been a communications breakdown between the District Association and the Shell Oil Company earlier this year, when negotiating the possible use of the site.

A letter to the city from Tom Sentes, chairman of the St. Albert Forest Lawn and District Association, says, "To date we have not received a response from Shell Oil to our numerous telephone calls, letter and telegram and it is evident that we are unable to establish the same level and spirit of communication and co-operation with Shell Oil as we have been able to establish with the St. Albert Planning Department."

to the Editor

Adult support necessary for teen club

One of the major problems associated with the activities of St. Albert Teen Clubs in the past has been an acute lack of adult support in the operation of these functions. Anyone who has ever been involved with teen activities

will immediately recognize this problem, and because it is a problem we on the St. Albert Teen Centre staff are trying to alleviate it. An adult support committee has been formed to help us with our various projects, and they

are in desperate need of more volunteers. There is only one stipulation, and that is that volunteers must be over 21 years of age.

Those interested members of the community who wish to become involved, please

contact Kelly Daniels at 459-6601 ext. 78. Any help received would be appreciated.

BOB MAKICHUK
St. Albert Teen Centre
President
Cunningham Road.

Safety Council sets dates for Pedal Pusher program

The April 14 meeting of the St. Albert Safety Council was attended by eight members with chairman Len Hobson presiding.

It was reported that 12 people are taking the defensive driving course and although this is not as large a number as had been hoped for it is an improvement over the last couple of courses offered.

The St. John's Ambulance First Aid course will begin on April 19 with approximately 30 people taking part.

The Block Parent program is not showing any significant increase in the number of people taking part. Part of this problem is the transient population we have in the city, and any increase is often cancelled by those people leaving the city who can no longer be Block Parents.

PARENTS HELP NEEDED

The Pedal Pusher program is to be held from May 16 to 19, 6:30 to 8 p.m. The registration forms will be sent home from the schools with the children, to be filled out and returned to the schools. The cut-off date for registration forms to be returned will be April 28 and no forms will be accepted after this date. If you want your child to take part in this program please do not forget this date.

Parents are also essential to the success of this program. Last year parents were very good about giving their time and energies to this course and therefore helped to make it one of our most successful years. We are hoping again this year that the parents will come forward because we can only take the number of children

for whom we have adults to teach the course.

If you wish to have your child in an afternoon course please mark it on your registration form. Again this year we will have one course, to be held at Sir Alexander Mackenzie school, if there are enough children and adults interested.

SAFETY ATTITUDES BEGIN IN HOMES

Albert Home Safety Week is from April 24 to 30. We wish to stress the point that the development of safe habits is an attitude which begins in the home. Learning to eliminate hazards in the home and doing things the safe way will encourage safety consciousness at work, driving a car or while participating in other activities.

The next meeting of the St. Albert Safety Council will be held on April 28, 8 p.m., 20 Muir Drive. We ask that anyone interested in the work of the council please attend. Many people in St. Albert benefit from the work of the Safety Council will be held on April 28, 8 p.m., 20 Muir Drive. We ask that anyone interested in the work of the council please attend. Many people in St. Albert benefit from the work of the Safety Council but this work is mostly carried out by a small number of people who need a great deal more support than they are at present getting.

Anyone wishing to contact the Safety Council can call Mr. Len Hobson 459-5829 or Mrs. Betty Pimblett 459-4854.

Dining with a Difference!

While you are relaxing in the comfort of our Oriental Licensed Dining Room, discuss your own personal tastes with your waiter, and tell him what you had in mind to spend that evening, and then let our chefs prepare you a meal we're sure you'll enjoy.

Plan to have something special for your dinner!

May we suggest: Cantonese Beef Steak - Our special beef dish served in our unique sauce for an exquisite taste treat.
Kwan Nan Hundred Flower Chicken - If you like contemporary chicken dishes, experience a different chicken taste.

Phoenix Shrimp - If you like seafood, tantalize your taste buds with our special shrimp dish.

Peking Duck - known the world over as a delicacy, kindly order ahead, as there is much preparation necessary.

Weekdays from 2 p.m. to 12 Midnight
Weekends from 4 p.m. to 1:30 a.m.

Don't forget that we offer a daily smorgasbord from 11:30 a.m. to 2 p.m. with over 12 Oriental and Western dishes

And if you're planning a larger get-together we have banquet facilities for up to 265 people

But large or small, We'll serve you all!

[Birthday parties and private clubs our specialty]

What does Fortune hold for you?

You may be served a fortune cookie that could cut the price of your meal in half.

Cont'd From Page 1

White was pleased with council's positive approach to the problems associated with the new club.

He said the club was looking at a \$50,000 budget for the first year of operation and also pointed out that the bulk of the profit would come back to St. Albert.

He also pointed out that he was prepared to buy ice time in Calahoo and Morinville and needed a definite commitment from council.

City Manager Bob Byron pointed out that "we are doubling the amount of

available ice time," adding that the impact of the new arena would be a benefit to all the users.

Mr. White had wanted definite action by council as the new team will be registered as a society with the province. It would be a non-profit organization, owned by the people of St. Albert.

It was this fact, that the team would be directly involved with City residents which prompted Mayor Plain to say, "that's tremendous."

The next move will be the calling of a league meeting by Mr. White so that the team can be in full swing by next fall.

skeeters

Cont'd From Page 1

wind of the lost motion and sent a letter to the MD pointing out that if the MD was going to refuse St. Albert permission to spray, would the same thing happen to Morinville and Edmonton when they asked to spray in MD lands?

Councillor Clay Crozier moved in quickly at last week's meeting to solve the impasse, which had been termed a new low in

municipal relations by St. Albert Mayor Dick Plain.

The mosquito abatement program is financed by St. Albert which uses its own helicopters.

"I might as well be the mosquito man," said Councillor Crozier just before the motion to allow the spraying program was carried.

St. Albert, Edmonton, and Morinville will now have unhampered access in the MD when the time comes for the helicopters to "hit the skeeters on the head," once they begin to fly.

WHETHER OR NOT it's a sign of the times and people want to get back to a simpler lifestyle, the group in the foreground of this photo have decided to live under Iron Age

conditions - for a whole year. Photographers make the most of their only chance to visit the secret site.

Photo from UK Press Gazette.

Board accepts final policies

At its regular meeting Monday night, the District 3 school board received the finalized policies on the school year and the outdoor education program from the policy committee.

During the 1977-78 year, the elementary and junior high schools will have 195 operational days and 187 instructional days. At the

high school, there will be 195 operational days and 190 instructional days. All district schools will open on Tuesday, September 6, and Christmas vacation will run from Friday, December 23 to Monday, January 2. The mid-spring break will start March 28 and extend to April 2. The last school day will be June 27.

The board's outdoor education policy provides for an outdoor education program from grade six up to junior high. The junior high program will be offered on an option basis.

It is hoped the program will provide students with experience in group planning, and develop a continuing appreciation of the

outdoors enabling students to learn the limits of the environment and the balance of nature. It aims to stimulate a desire to explore and learn from the environment and provide experience in social living. It is also hoped that the challenge of the outdoors will bring out qualities of leadership, courage, humility, and compassion.

Present Council should go down in history

Whether or not the same faces reappear at City Hall after the next election in the fall, St. Albert resident

Liesbeth Bakker wants them all to be remembered for the work they have done on council.

At the opening of City council's regular meeting last Monday night Mrs. Bakker said that once the spade gets into the ground (at the sod-turning of new facilities) a simple plaque should be unveiled with the names of the present councillors and mayor. "Appropriate names should be attached to appropriate facilities," Mrs. Bakker said.

Mrs. Bakker pointed out she was aware an election

was coming up and that new faces might be elected. But it was council that had carried the headaches for the new facilities, she said, referring to the arena which could be ready by fall and the swimming pool, by January 1978.

She was aware that the sewer facility had the names of the mayor and councillors on it (referring to it as the "environmental control facility.")

Photo contest for Chamber guide

A drive to obtain photographs for use in the St. Albert Information Guide has been initiated by the St. Albert Chamber of Commerce.

The Chamber is requesting citizen participation in locating good 35 mm transparencies to show what living in St. Albert is like. Credit lines will be offered with \$10 for full rights to each transparency used inside the Information Guide. Full rights for the front cover photograph will be worth \$100. All material submitted and not used will be returned.

Suitable material for the photography drive will include shots in and around St. Albert, shots of annual activities, scenes of the businesses and residential areas and photos of the recreational facilities in the City of St. Albert.

A deadline of April 30th has been set for submissions. The competition is open to everyone.

Submissions should be forwarded to: St. Albert Information Guide, c/o Williams and Wilson Public Relations Limited, 304 - 10012 Jasper Avenue, Edmonton, Alberta T5J 1R7.

Help Society salutes the volunteer

April 18 to 23 has been declared Volunteer Week in recognition of the valuable services rendered by these unpaid, dedicated people.

The Mother's Day Out program has 65 mothers who volunteer 1/2 day of their time, about once a month. On this day they bring their children to the centre free of charge.

If you, as a mother or a student, have time on a Thursday to help phone 459-8736 and offer your services.

Meals-on-wheels has 77 volunteers from nine organizations and independent persons. These people are responsible for the following services: 1. Delivering meals

on wheels Monday to Friday at noon, 2. Delivering meals to the Senior Citizens Centre Thursday noon; 3. Driving those needing transportation to the bank, medical centre, shopping, therapy, Senior's Centre etc. etc., 4. Visiting shut-ins.

The people who use these services greatly appreciate the time and effort you spend but most of all they look forward to the friendliness you bring to their day.

The St. Albert Help Society thanks all the volunteers for their help. Without them it would be impossible to offer these services in St. Albert.

Be a Volunteer, Phone Today.

District 3 duffers pay own way

Trustees of School District 3 proved last night that they can practice what they preach.

Having turned down two requests for financial support Monday night on the grounds that present policies of fiscal restraint precluded them, trustees then tightened their own belts.

When discussion moved to

the subject of a golf tournament between the board and the Administration Council, the board altered its usual policy of having the district support the event to the tune of \$100. Trustee Peter Freeman suggested instead that trustees each pay \$20 for their participation. All agreed this was appropriate.

St. Albert Billboard

THURSDAY, APRIL 21 - Sturgeon Valley Ladies Golf Club will be holding their Spring meeting at 8 p.m. in the Grandin Pool Clubhouse. New members most welcome. For further information phone 459-7828 or 459-8058.

SATURDAY, APRIL 23 - Legion's annual President Banquet and Ball. Legion Hall.

MONDAY, APRIL 25 - St. Albert Minor League Baseball Association will be having a meeting at 7 p.m. in the Kinsmen Field House, Lacombe Park, of all umpires, coaches and managers.

MONDAY, APRIL 25 - The regular meeting of the Edmonton Association for Children with Learning Disabilities will be held at 8 p.m. in the Unitarian Church Auditorium, 12530 110 Avenue, Edmonton. A film on L.D. children "The Puzzle Children," will be shown.

WEDNESDAY, APRIL 27 - The Sturgeon Toastmistress Club will meet at Paul Kane High School at 8 p.m. For further information phone 459-8706.

THURSDAY, APRIL 28 - The Leo Nickerson PTA are holding annual rummage and bake sale - 7 to 9 p.m. Proceeds to help build new playground equipment.

THURSDAY, APRIL 28 - St. Albert Safety Council meets at 20 Muir Drive. Open to all interested residents who are invited to attend. Support is welcomed. Call 459-5829 or 459-4854.

THURSDAY, APRIL 28 - Cut off date for Pedal Pusher program. Please be sure registration forms are returned to your child's school by that date. Sponsored by St. Albert Safety Council. Parent-help is needed.

APRIL 30 & 31 - St. Albert Evangelical Lutheran Church will have a paper bin on its property at 11 Glenview across from City Hall.

Mail box situation eases

Letters were sent out last week informing St. Albert residents with no door-to-door mail service that street boxes are in place for mail pick-up.

The boxes were installed about two weeks ago and can be used straight away.

The letters sent to the residents give numbers and asked that a lock be installed on the box as soon as possible.

There have been some

complaints over the past year about the crowded situation at the St. Albert post office.

Cases were given where up to 80 families were vying for 12 street boxes.

There was also said to be a long list for lobby boxes, and there were complaints about the St. Albert post office's closing at a time which left residents who worked in Edmonton little chance to pick up their mail except Saturdays.

Industrial purchase

Cont'd From Page 1

Mayor Plain, whose attention must have been drawn to the fact Mr. Gibbon was taping the proceedings, asked, "Is it being used for what purpose?"

Mr. Gibbon replied that it was being used for his own information.

Mayor Plain replied, "I'd just as soon not."

Mr. Gibbon replied, "The mayor can do as he pleases."

The incident ended with the tape recorder being ruled out (or order), but with Mr. Gibbon complaining bitterly that democracy wasn't being

allowed to work. He also challenged the mayor by asking him if there should be no reporting by the Gazette, who were reporting the meeting.

Once the meeting got underway, both Mayor Plain and Mr. Byron allayed fears that city taxpayers were being taken for an uncomfortable ride because of the expenditure on the industrial land.

Mr. Byron told the 20 people at the Chamber meet that the cost of the industrial land was accounted for dollar for dollar and charged

against the land itself.

He said that all available cash reserves were used to help finance the various funds of the community.

"If we have to finance payment of principle and interest it will go out of the cash reserves available and be recovered through the sale of land ... it does not reflect in the mill rate against the taxpayer," Mr. Byron stated.

All through the meeting there was emphasis on the fact that development of industrial land for St. Albert would eventually benefit the community at large.

Mayor Plain said, "Please give us your support because the people put us into office to do something."

Earlier Mayor Plain stated St. Albert was in a position to make (light) industrial development a reality in the city. "We are at the point where we can take off."

On allegations that St. Albert had acted contrary to the Municipal Government Act, he said city solicitors had been consulted. "We have nothing to hide regarding the alleged improprieties."

The mayor also told the Chamber St. Albert would welcome the results of the inquiry into the land purchase.

He talked of massive tax gains (with light industry and commerce) and said the park

would provide 11-16 jobs per acre.

HOW LONG DO WE CARRY THIS LOAD?

Dr. Bill Cuts asked how long would St. Albert have to carry "this load" referring to the total proposed outlay of \$3 1/2 million.

He had calculated this as an eight mill burden to the taxpayer.

Mr. Byron, who earlier emphasized that he had no political axe to grind, said the taxpayer was not committed.

"...if there was a disaster, we would be in effect responsible for payment of this land."

When asked what monies would accrue to St. Albert because of purchase of the industrial park, it was indicated there would be a good return over a five year period.

Mr. Byron told the meeting it had been no picnic putting the land together, explaining 67 acres had been bought for \$22,000 an acre, with the other 94 acres secured by a mortgage.

He said the city could sell the land it holds because the city had brought the land to the stage where the servicing and subdivision was there.

Bob Russell said he agreed with St. Albert's objective 100 percent but asked if the city had worked with the

owners rather than obtaining ownership.

Mayor Plain replied the city had met with the owners, indicating (the business) should be handled on a local improvement basis.

"We took them almost by the hand," the mayor stated,

.... "walking through the subdivision."

At an earlier meeting of the Chamber of Commerce April 13, Vince Maloney complained that the affair had "moved so rapidly, with little publicity."

Construction to start on Seniors lodge

ST. ALBERT will be asking for proposals from interested architects for the senior citizens lodge slated for the Mission Avenue site on the Sturgeon River.

The facility consists of 44 self-contained units for seniors with a further capacity for 57 beds above these units.

The facility has been approved for the Mission Avenue site and City Manager Bob Byron says construction will be underway as soon as possible this year.

Following are some of the highlights from the regular meeting of St. Albert council last Monday night. Mayor Dick Plain was in the chair and all councillors were present.

ALL THE RECOMMENDATIONS made by Committee of the Whole last week

April 12 were carried by city council last Monday night.

Council have accepted formally the low bid of Poole Construction for \$1,131,956 for the construction of an arena. They also accepted a low bid of \$2,104,110 of Harsim Construction Ltd. for building a swimming pool in St. Albert.

Council also accepted the low bid of Wells Construction for the 1977 pavement re-capping program. This is with the addition of \$5,782.78 for the recapping of Mount Royal Drive for a total amount of \$53,124.48.

COUNCIL GAVE THIRD reading to bylaw 18/77 which sets a uniform rate of 61.02 mills for the business tax levy this year.

MAY 10 has been set as the date for St. Albert's Court of Revision.

Day Care Centre has active year

For the St. Albert Day Care Society, 1976-77 has been a busy and important year. The society's biggest news was the opening of the new St. Albert Day Care Centre at 6 Cunningham Road. After the opening, the new building was quickly filled, accommodating 60 children.

During the winter, platforms were constructed in

two of the rooms, to act as indoor playgrounds, and plans are now being made for a creative playground adjacent to the centre.

The centre was in operation for 250 days from April, 1976 to March 31, 1977, and served 86 children from 73 families. Of the families served, 34.5 percent were one parent families and 65.5 percent were two parent

families.

During the year, the staff has endeavoured to provide programs aimed at the needs of individual children. Since the move to the new centre, a program based on activity centres and learning through play has been fully incorporated. Special events are held to break the daily routine and act as learning experiences. These have included a pet show, Klondike Days parade and a nursery rhyme parade. An art show was held at the centre and field trips have been taken to the Provincial Museum and Archives, Northgate Mall's Santa's Castle, Mayfair Park and places within St. Albert. Field trips have been further facilitated by the purchase of a small bus to be operated by staff members.

Equipping the centre has been a major task for the Society. Parents and com-

munity members have donated play equipment and scrap craft materials, and also this year, the office has been fully equipped. A special parent's lounge has been established with a rotating library available for parent education. Educational equipment in the playrooms and audio-visual equipment have provided learning experiences for the children.

The centre is visited by many people in different capacities. These include individuals from various colleges and universities, both public and separate school districts, Glenrose Hospital, University of Alberta Hospital, Child Development Centre, Services for the Handicapped, Public Health Nurses and Inspectors, dental hygienists and the psychologist. The fire chief and an RCMP have visited, and special lunch time visits have

been made by male volunteers to help integrate male participation in the activities of the centre.

Educational programs have been integrated with Grant MacEwan College, Paul Kane High School, St. Albert High School and Simpson Junior High. Numerous work experience students have worked at the centre in secretarial positions and working with the children.

The Society feels it has met its ultimate objective of providing quality day care for children in St. Albert from 0-12 years of age, who have working parents or whose parents are furthering their education. They were however, unable to establish an after four program to meet the needs of children needing care after conventional day care hours and after school.

Information guide reported progressing well

News Release from
Williams & Wilson
Public Relations Ltd.

Seventy-five percent of the basic sponsorship for the St. Albert Information Guide has been committed, according to an announcement made by Garry Johnson, chairman of the Information Guide Committee at an April 13th Chamber of Commerce meeting.

Mr. Johnson indicated that business support has been better than anticipated and the project is progressing well with copy and layout to be ready for review in mid-May.

Sponsors include both large and small local businesses.

A good response has been received to the business directory to be included in the back of the guide. Plans are also underway to initiate a drive to obtain suitable photographs for the publication from citizen participation. Photographs will be keyed to captions briefly describing the activity, special attraction or business service illustrated.

Commenting on a suggestion made by a businessman in a Gazette article (March 16th) that real estate firms are producing a guide similar to the Chamber's Information Guide, Mr. Johnson indicated that the real estate firms are in fact not producing a similar product. He also reported that the cost of advertising in the Chamber publication is comparable with standard publication and production charges.

The report also outlined that the 10,000 Information Guides will be distributed

through offices of the City, sponsoring businesses and tourist information centres and will detail the services and amenities within the community of St. Albert.

Around Town

Talking on the telephone with Doug Schmit, president of Kayano College in Fort McMurray yesterday we discovered that Doug had taught in St. Albert High School from 1963-67. Bill Soprovich was principal at the time and Doug served as acting principal and vice-principal before returning to university. Instead of coming back to St. Albert High he became interested in adult education. Doug was enquiring about the present and forecast population, and the growth of St. Albert, which was a town of about 5,000 when he was here.

TD No-charge chequing

...it's not a big deal, but it's a good deal!

QUESTION: Why did TD introduce No-Charge Chequing?

ANSWER: We're trying to get your business.

QUESTION: What does No-Charge Chequing offer?

ANSWER: During PCA statement periods in which a customer's minimum balance is \$200 or more, TD cancels the normal 16¢ charge per cheque.

QUESTION: Why is there a minimum balance?

ANSWER: TD invests the \$200 to help offset the expense of processing the customer's cheques.

QUESTION: Who is benefiting from No-Charge Chequing?

ANSWER:

(1) Our records show that many of our PCA customers always keep a \$200 balance.
(2) Some TD customers now plan ahead and keep an extra \$200 in their account when they intend to write a lot of cheques.
(3) Some customers occasionally build up to a \$200 minimum 'by chance.'
They can all benefit from No-Charge Chequing.

QUESTION: Would it be more profitable to keep the \$200 in a Premium Savings Account?

ANSWER: If you write more than 7 cheques during a statement period, we can show you that No-Charge Chequing is a better deal.

QUESTION: Isn't No-Charge Chequing really just 'a little extra' to make TD more competitive?

ANSWER: Yes. We want you to be a TD customer.

QUESTION: So it's not a big deal?

ANSWER: No. But it's a good deal. You should look into it.

EDUCATION COMMENT

Nursery School funded, administered by parents

A unique educational institution in St. Albert is celebrating its 12th anniversary this year. The Sturgeon Family Nursery School is unique in its refusal to participate in the usual undignified scramble for government funds. The small school was conceived by parents, funded by parents and administered by parents.

The nursery school was the brainchild of a local mother, who, having nurtured the concept, then sat down and wrote the bylaws for an administering body. The group created then registered itself as a society and exists now as the St. Albert Creative School Society.

The school, which started out with 15 children in the community hall, now has 21 students registered in their present facility at the Arts Centre on Salisbury Avenue. The school presently holds morning sessions only, from 9 - 11:15 a.m. However, afternoon sessions will be instituted if there is sufficient demand. The school is in session from September 15 to May 14. To enter, a student must be four by the end of February.

Although parents do not participate in the curriculum of the nursery school, they are involved in other aspects of the school's administration. A board consisting of parents is responsible for administration, and parents also provide all transportation. A car pool is used in

lieu of busing, with each parent being required to drive about once a week.

The curriculum itself is in the experienced hands of the school's teachers, Mrs. G. A. Opderheyde and her assistant Mrs. A. Barnashone. Mrs. Opderheyde has taught at the school for the past 10 years, and some of her former charges are now teen-agers. The program covers a variety of themes and subjects. Mrs. Opderheyde leads the children in discussion of topics such as community workers, native peoples and smattering of geography. An excellent arts and crafts program is also available and exercises are done. The keynote of the curriculum is simplicity. Children also learn basic social skills and are taught the value of sharing and the art of communication. Each day, two children are chosen to

act as helpers, and so learn responsibility. In addition, a Work Experience student from Paul Kane helps out at

the school.

Anyone interested in the nursery school can bring their child to the school's

Open House at the Arts Centre on Saturday, May 7 from 10 - 12 a.m. Registration will take place

Monday, May 9 at 7:30 p.m. The registration fee is \$5 and there is an additional monthly fee.

ATA President welcomes increased small school grants

Expressing some reservations, Alberta Teachers' Association President Halvar Jonson has welcomed the government's recent announcements of increases in grants to small schools and grants for location allowances for teachers in remote and isolated schools.

Regarding the grants to small schools, which the government says are being increased by 124.5%, Mr. Jonson says he is pleased with the increase. He adds, however, that he hopes

school boards will spend these grants to aid small schools, in view of the fact that many boards are already hard pressed for general funding.

Also, he suggests that the grants are not large enough really to reverse the trend toward centralization or the continued operation of small schools under inadequate

conditions.

The ATA's Annual Representative Assembly at the beginning of April supported a resolution calling for additional funding for small schools.

In welcoming the increased location allowances grants, Mr. Jonson said he thinks the new program,

based on recommendations in a report last July by E. Gunnar Wahlstrom, has a better rationale than before.

However, he notes that the amounts to be provided are not that much above what was available under the old scheme and urges that more is needed to keep quality personnel in these areas.

Future looks bright for Kayano College

Don Pinckston of Edmonton has been appointed architect for the phase one project which will see Kayano College in Fort McMurray in a permanent building. The college has been operating in a collection of trailers and Butler buildings since it was established in 1965.

About a month ago a heavy industrial campus was opened on the outskirts of the town, also replacing old construction trailers. Kayano is a diversified institution, said President Doug Schmit, catering to technical and trades training as well as heavy industrial. It is gradually getting into such programs as business administration and early childhood education, and Mr. Schmit looks forward to getting a first year university transfer type program "down the road."

Construction of the new permanent building for Kayano will come under the provincial departments of Alberta Housing and Public Works, and now that phase one has been approved Mr. Schmit expects that tenders will be out before the end of the current fiscal year (March 31, 1978).

Phase 1 will provide a major building of 300,000 square feet on the existing

10-acre site in the downtown. At present the gymnasium is the only permanent building and it will be incorporated into the design of the new building.

With a building for the

heavy industrial campus and one coming for the downtown campus the outlook for the students and staff at this northern college is certainly brightening.

Mortgage brokers course in fall

Peter Stewart of the Continuing Education Division of Grant MacEwan Community College recently received a \$2,500 cheque from Mr. Glen Gregory, president of the Alberta Mortgage Brokers

Association. The cheque will support the development and presentation of a pilot Mortgage Brokers Licensing Course by the College. The course was first suggested by the Association's solicitor Mr. Ron Ghitler, M.L.A. It has also received the support of Mr. Lorne Parker, registrar of the Alberta Securities Commission.

Development of the pilot course was a co-operative venture of the Education Committee of the AMBA and Jack Belkin, instructor in the College's Business Department. Work has also commenced on Level 11 and 111 courses to be offered in 1978 and 1979.

Barry Slipp, chairman of the AMBA's Education Committee, expects that the new course will be offered to association members in Edmonton and Calgary commencing in September. He cited the development of the course as well as a Code of Ethics and an advertising code as examples of the Association's professional development activities.

Program will ensure linguistic diversity

A move to allow the teaching of languages other than French and English where it is sufficiently called for will ensure the continuing linguistic diversity in Alberta.

In a ministerial statement to the legislature, the Hon. Julian Koziak, minister of education said April 18 that where such a program has been requested by "a responsible association of parents" and approved by a school board, instruction may be provided for up to one-half the day in an additional language, to the end of grade six. One half of the day must be taught in English.

Should a school implement such a program, the province will give financial support at the rate of \$65 per participating pupil. If the instruction lasts for less than half of the day, the amounts are prorated downward. To facilitate teacher preparation and development, \$15,000 will be made available annually in bursaries for the first six years. School systems are eligible for regular transportation grants under existing regulations for pupils being transported to the schools offering programs in these languages. To qualify for provincial support, the school system must provide appropriate teachers, facilities and student materials.

When a linguistic group is assured of 100 pupils in grade 1 during the first year of operation, the Curriculum Branch of Alberta Education assists in the development of

curriculum materials.

Mr. Koziak commented that evaluation of the Ukrainian-English bilingual program has shown that students in such programs show no decline in other subject skills when compared to students not in such a program. He added that teacher and parent support for such projects is strong.

"The Puzzle Children" to be shown

The Edmonton Association for Children with Learning Disabilities will hold a public meeting on Monday, April 25, at 8 p.m. in the Unitarian Church Auditorium, 12530 - 110 Avenue, Edmonton.

At this meeting we will show a colour video-tape of a major TV special, previously shown on P.B.S., entitled "The Puzzle Children" featuring Julie Andrews as narrator and Bill Bixby as animator.

This tape focuses on the problems encountered by the 10% - 15% of children in our school systems who, though intellectually capable, learn poorly, or not at all. Children who suffer from subtle learning disorders, commonly called learning disabilities, that affect the learning process. This meeting is open to the public and we welcome the participation of the audience. For more information, call 426-5965.

LES TOURNESOLS BILINGUAL PLAYSCHOOL

REGISTRATION FOR THE
1977/78 YEAR
WILL BE HELD ON

MONDAY, APRIL 25th AT 7:30 P.M.

AT THE MISSION CLUBHOUSE
Children being registered must be FOUR years old
BEFORE MARCH 1, 1978.

REGISTRATION FEE -- \$1.00
FOR INFORMATION PHONE - MRS. I. COLE
459-6726 OR MADAM F. LEFEBVRE 459-7030

ST. ALBERT PARISH KINDERGARTEN REGISTRATION

Registration for the 1977-78 year will take place from
April 7th to April 28th, 1977.

The Registration Fee is \$5.00.

Registration forms and an information letter are
available at the St. Albert Public Library or the St.
Albert Public School District No. 3 office, at 6 St. Vital
Avenue, St. Albert.

Children being registered MUST be five years of age
before March 1st, 1978, without exception.

In addition to the regular kindergarten, one or two
classes will be established to offer a french immersion
program. All registrations will be considered on a first
come - first serve basis. The form must be completed
and mailed together with the registration fee, to be
received no later than April 28th, 1977.

NURSERY SCHOOL REGISTRATION

Parents and children are invited to the ST. ALBERT
CREATIVE NURSERY SCHOOL open house at the Arts
and Crafts Centre, Saturday, May 7 from 10 a.m. to 12
noon.

Registration will take place Monday, May 9 at 7:30
p.m. at the Arts and Crafts Centre. Registration fee is
\$5.00.

SHARON RANSON - 459-4844

District 6 School Board Briefs

At their regular meeting on Wednesday, April 14, trustees of School District 6 attended to the following items of business:

Speaking for the Buildings and Properties Commission, Murdo MacFarlane reported that upcoming new regulations from the School Buildings Board will enable the board to apply for a changed recognition of need for the Lacombe Park Stage 9 Junior High School project. Mr. MacFarlane moved that the board ask the School Buildings Board to change the recognition of need for an Elementary Junior High 8x8 Core School to a Junior High Core School recognition. This new designation would include the 8x8 core plus an ancillary classroom and an additional science room. The motion carried.

Trustee Don Murdo moved that the matter of the 1977-78 school year be tabled until the next meeting and that the issue of grade 1 hours be referred to the Education Committee for a report and recommendations. The motion carried.

Trustee MacFarlane moved that a letter be sent to the Municipal Administration requesting that the Municipality conduct an election for five trustees for District 6 at the same time as the triennial municipal elections. The motion carried.

Mr. MacFarlane moved that the matter of bus passes for the 1977-78 school year

be tabled. The motion carried.

A motion by Mr. Mac-

Farlane that the secretary-treasurer call for tenders for the 1977-78 transportation requirements was tabled, as

changes may be made in the busing system.

Trustees received reports

from the superintendent on Teacher Absence and School Teacher Absence and School Use. Mrs. McCaffery asked

that the report on the community's use of the school be referred to the Joint Use Committee.

District 3 Briefs

At Monday night's regular board meeting, trustees of school district 3 attended to several items of business.

Trustee Elsie Lockert moved that the board accept the resignations of Donna Meyer and M. Cournoyer effective June 30, 1977. The motion carried.

Trustee Ernie Howrsh moved that the board approve the appointment of John Reid as Industrial Arts instructor at St. Albert High School on a one year contract. The motion carried.

Elsie Lockert moved that the board grant an extension on leave without pay to Ramona Giacobbo and Rita Cotter for the 1977-78 school year. The motion carried. Dr. Zielinski, district superintendent, commented that if the district were hiring this year, these leaves would not be extended. However, with the loss of 170 students who will go to the new Sturgeon High School, the district will not be hiring new staff for the high school this year.

Mr. Howrsh moved that a request for extended maternity leave from Joanne Perron and Linda Goodman for the 1977-78 school year be granted. The motion carried.

A motion was carried granting education leave during the 1977-78 school year to Pat Lockert and Loretta Moore.

School Days In St. Albert

Vital Grandin places second in Klondike Relays

The fourth annual Klondike Relays were held Saturday at the Kinsmen Fieldhouse with Vital Grandin taking second place overall in the elementary school division. Braemar School of Edmonton took the trophy for the third time with 106 points, Vital Grandin was runner-up with 69 points and third place went to Talmud Torah School with 37 points.

Thirty schools from all over Alberta took part in the elementary division. The meet is sponsored by the Edmonton Striders Track and

Field Club and co-ordinated by Mr. Kit Knight. It is the BIGGEST meet held in Alberta and provides an opportunity for any school to participate and start off the track and field season with a great deal of motivation for the students.

Vital Grandin students, taught and coached by Dan Bouwmeester and Gary Fix, continued their tradition of athletic excellence in all events.

Vital Grandin students participating in Saturday's meet were: Barbara Lawrence, Simone Bolton, Agnes

Kho, Tannie Cyr, Carmen Laplante, Debbie Lopez, Kim Blackburn, Cara Wheatley, Shelley Blackburn, Tim Holmes, Greg Messner, Gary Berbenak, Darren Boutette, Danny Douziech, Danny Durand, Murray Schrader, David Gusta, Brian Chai, Allister Bartschi.

Girls shot put - 1st; boys shot put - 3rd; boys long jump - 5th; girls 400m relay - 3rd; boys 400m relay - 1st and 7th; girls 800m relay - 4th; girls 1600m relay - 4th; boys 1600m relay - 5th; girls medley relay - 6th; boys medley relay - 5th; girls hurdles - 3rd; boys hurdles - 3rd.

Grant MacEwan Community College Dance Department

The Grant MacEwan Community College Dance Department will present a series of demonstration/concerts this week, including modern, ballet, jazz and ethnic choreography.

Thursday, April 21 is the First Year Production. Friday, April 22 and Saturday, April 23 are the Second Year Productions. All concerts will begin at 8 p.m. in the Jasper Place Campus gymnasium. (156 Street and Stony Plain Rd.). Admission is free.

On Monday, April 25, a special concert - Invitation to a Dance - will be performed in The Centennial Library Theatre. Curtain is at 8 p.m. Tickets are \$2.50. Admissions, and other donations, will support scholarships for students in the dance program.

Jacquellne Hutchison, a grade 4 student at Ronald Harvey School won the Junior Biology Award for her project on 'Bean Plants.'

The Scene at Simpson

By Brenda Burgess

Spring fever has fallen upon the students and staff at Simpson, but the last major holiday is over. As the end of the year draws closer many students are looking forward to summer holidays.

Last Friday, all of the students at Simpson were treated to the musical movie "Oliver." I'm sure it was appreciated by all. On Thursday the Grade Nine students went to the Citadel to watch the thrilling play, "Bethune." Earlier in the year they attended the play, "Jill."

The Grade Seven and Nine bands performed in the St. Albert Music Festival. They all gave excellent performances under the direction of Mr. Heuermann.

The basketball teams at Simpson have officially finished all play. In the St. Albert league, the girl's team ended up in third place and the boy's team came out on top. The boy's team went on to defeat the Edmonton Public and Separate School champs. They had a 28 game season, and they ended up winning 26 and losing two. They also went on to win the Old Dutch Basketball tournament. I'm sure there is no doubt of who is the best team in the Edmonton area. Congratulations to all players, Mr. McPhee, the girl's coach and Mr. Jakubec, the boy's coach, for an excellent season.

Thanks to Mr. Morrison and Mr. Ream for training a good badminton team. The Simpson Badminton Club went on to win the badminton trophy for the St. Albert district. Congratulations to all participants.

The track season has

already started. Mrs. Kane coaches the group, and they have already entered in one competition. This was the Klondike Relay held last Saturday at the Kinsmen Fieldhouse. Congratulations to all participants for a good showing.

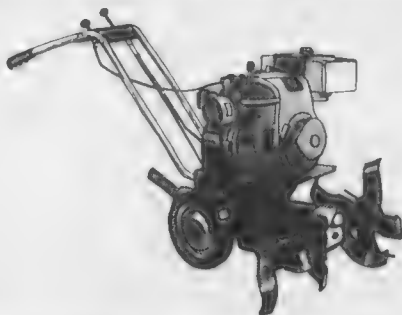

The cheerleaders at Simpson are most likely finished cheering for the year. They did a fine job of cheering on our volleyball and basketball teams. The cheerleaders were Joanne Smith, Joanne Maitby, Evelyn Hartman, Koree Nelson, Marine Phillips, Mariene Knoblock and Pam Sears. A special thanks to Lynda Burgess for devoting her time to coaching the girls.

The grade nine students at Simpson will be planning some fund raising activities in the near future to raise money for their Graduation Dance. They would greatly appreciate your co-operation.

Teen News & Views

By Kelly Daniels
Community Youth Worker
 Well, it's bush bash season again and already Friday and Saturday evening teen parties are turning from

the confines of homes to the wide open spaces of rural farmlands and camps. Bush bashes are hardly a new phenomena for St. Albert or many other communities. I've talked to people who

went to school in St. Albert 10 years ago who had their favorite bush bash locations. The main themes have hardly changed, all you need is a fire and as much booze as you can lay your hands on. The one big difference though is in the numbers, bush bashes today can draw anywhere from 200 to 500 kids at a time.

During the party very few people are affected and generally they are a safe nights fun if you can discount the alcohol these kids consume. The danger comes in when the party is breaking up. Most of the teens arrive and leave by cars with the vehicles packed with passengers. I'm sure all you teens reading this are aware of the dangers this can cause. Teen-agers are not really known for their slow driving and a half wiped teen-ager on a gravel road with a packed car can be deadly. There were at least two accidents last year which I'm aware of where teens were injured coming back from bush bashes.

But of course, don't worry it will never happen to you, and besides what's-his-name is great behind the wheel of a car. You better be right because your life could depend on what's-his-names abilities when he's drunk.

TEEN SCENE

After a staggering amount of work by Jeanette Smith with help from her husband, Jack, and other members of the Recreation Centre Adult Support Committee the gar-

age sale held last weekend can be termed a success. But they're still looking for more volunteers so give me a call if you want to get involved. To those who have already volunteered thank you and we'll be getting in touch with you soon.

DISCOS AID SKI TRIPS

Both discos were very well attended this last weekend both at the United Church (Purple Church) and at the Grandin Clubhouse. The Church disco was sponsored by the St. Albert Ski Club and thanks go to Mr. and Mrs. Cole, Mrs. Duncan, and Mr. and Mrs. Greathead for supporting the teens in this endeavour. They also tell me they're going to be expanding their club next year and taking in more varied and longer ski trips. If you're interested in hitting the mountains more often next year and are willing to work this summer at car washes etc. to pay for the trips. Come on out to their public meeting on April 27 at 7:30. I'll let you know where next week.

This Friday night East Side Teens are holding a Rock and Roll disco at the Purple Church on the trail from 8 to 12. Also, for all junior high aged teens the disco at the Grandin Clubhouse will be held again.

East Side Teens are also planning a fashion show so keep your ear to the ground about that one.

St. Albert Teens have finalized their plans for summer camping trips so if

you're a member of that group, or would like to be, contact Kathy Cockwill at 459-8293. If you want to have

something going this summer you'll have to work for it a little so make your decision now.

The zebra's trick on himself

(Literacy in the student population might be a controversial issue in many quarters, but the following story by Birgit Wunsch, of grade 4 at Ronald Harvey Elementary School, proves that literacy is alive and thriving in some of our schools).

THE ZEBRA'S TRICK ON HIMSELF

By Birgit Wunsch,
Grade 4

Once upon a time there was a zebra who liked to play tricks on the lion. You see they lived in a zoo. But the zebra not only played tricks on the lion but on all the other animals in the zoo. Once he played a trick on one of the parrots. The trick was that he was going to put a stuffed parrot in the cage and make it talk to make the parrot jealous. And so you know what happened? The parrot outsmarted him. The parrot had seen the zebra fixing it up so that night the parrot flew-out of his cage

and put a stuffed zebra into the zebra's cage so that there would be two zebras! So the next morning the zebra woke up and saw the stuffed zebra in his cage and he thought it was real. Now as you should know the parrot was watching all this and all the other birds too. The zebra walked over to the stuffed one and said, "Hi, there, how did you get here?" The stuffed zebra said nothing and just sat there staring up at the monkey's cage. "Why do you stare at the monkey's cage like that?" asked the zebra. As he walked around his stuffed zebra he asked "Why are you so soft and fuzzy?"

Then it happened! The stuffed zebra came apart and all the stuffing came out. After the stuffed zebra was empty the real zebra looked just white, like a sudden snow storm had unexpectedly hit. Every animal in the zoo was laughing. After that the animals never played tricks on each other again.

News from Ronald Harvey Elementary School

By Anna Nord

A very successful rummage and bake sale were held in the lunchroom on Wednesday, April 13. The proceeds from this sale, which amounted to \$700, will go towards the Grade 6 Outdoor Education Fund.

The administration and staff wish to thank all parents and students who helped to make the sale a success.

The Ronald Harvey students participated successfully in the Edmonton Regional Science Fair on Saturday, April 16. Jacqueline Hutchison, a Grade 4 student, won the Junior Biology Award for her project on "Bean Plant." She received a microscope from Cenco.

Other students that entered were: Barbara Bull, Jerilyn Kisabeth, Paul Burgess, Kerry Timms, Karen Wharton, Lauranne Iseke, Blaine Rice, Jonathon Westphal, Gordon Bull, Bobby May, Showna Murray, Susan Wilson, Joelle Tustin.

Parent-teacher interviews will be held at the Ronald Harvey School on April 19, 20 and 21.

Concerning Women Of Today's World

Nurses learn about pacemakers

The guest speaker at the March 15 meeting of the St. Albert Nurse's Interest Group was Colleen Black R.N.B.Sc. from the Pacemaker Clinic at the Royal Alex Hospital. Colleen is in charge of the clinic and reports to the Cardiologist assigned to the area. The clinic is open two days per week, Tuesdays and Thursdays from 9 a.m. to 5 p.m. No appointment or referral by a doctor is necessary, anyone with a pacemaker insertion is welcome. There is no charge for this service as its operation is included with the budget of the R.A.H. The clinic is currently following 120 people, seeing approximately 50 people per month. The range of people attending the clinic is 35 - 93 years with the average age of pacemaker patients being 70 years.

The clinic is a resource centre of information for all of Alberta for Doctors or Consultants on conditions of specific patients. Material is available for interested persons on the clinic or on pacemakers.

Pacemakers regulate the heart rate. They do not cure underlying heart problems. There are three types of pacemakers: The first is the Meditronic; its life span is 3 1/2 - 4 years. The Mini Lithium has projected life span of 6 - 7 years. It hasn't been out long enough to determine its life span. The last, the Radio Isotopic Pacemaker is used only in children because of its long life span - 8 years. Because this type contains radio active material the Atomic Energy Commission of Canada requires they know where the recipient is at all times. The patient must notify the Commission if they leave their normal residence

for holidays or business because the Pacemaker must be destroyed as radio active material in case of accident or death.

The Meditronic pacemaker costs \$1,400 and the Lithium type \$1,895. Individuals do not have to pay for pacemakers, they are provided by hospitals.

A pacemaker is indicated if there is a complete heart block, or left anterior hemiblocks with left or right bundle branch blocks. "Sick sinus syndrome" - bradycardia arrhythmias, congenital heart blocks, arteriosclerotic heart disease, sclero-degenerative disease, or surgically induced conditions, are all conditions in which a pacemaker might be indicated.

The main type of pacemaker used now is the "Demand" type - it works only when required. The normal "kick-in" rate is 68 - 70 per minute and will cut out when person's own heart rate increases to 70 or more per minute. If the pulse rate drops below 68 per minute with a pacemaker insertion the pacemaker is failing and may need to be replaced. Patients check whether their pacemaker is working by taking their pulse for one full minute and if it is six to seven beats lower than 70 per minute they know it is not working properly. (It is very important to take pulse for one complete minute as beats can be missed if only taken for 15 seconds).

PLACEMENT OF PACEMAKERS

They are usually placed in the right subclavical area just under skin, but may also be placed in left lower abdomen just below waist. The lead is threaded through a vein or attached to outside of heart.

Following insertion, medication is given for nausea for the first 24 hours because movement can cause displacement of the lead. Scar tissue eventually holds it firmly in place. Patients should be told they can feel pacemaker but told not to "twiddle" it. (The constant turning of pacemaker is called "twiddlers" syndrome and can cause lead to become rolled up.) Pressure dressings and hemovac drainage are maintained for 24 hours to prevent fluid build-up in the operative site. Sterile technique is essential to prevent infection. If infection occurs the pacemaker must be taken out and reinserted in another site. The apical pulse is checked for one minute to make sure pacemaker is working.

The first visit to the clinic is six weeks after insertion. This involves a chest x-ray to make sure the pacemaker is in the correct position and that there has been no break in the lead. E.C.G. and bloodwork are also done to be sure they are normal. Health teaching is also done at this time stressing the importance of well balanced diets, the patient's disease, and exercises like walking are encouraged.

I.D. cards are given to patients with pacemakers to help at airports where they are required to go through scanners. Vacation letters are completed and given containing information on their pacemaker, their medications, and their doctor. Other information is given to patients regarding their careers. An engineer from the pacemaker company will check out machinery to see if it interferes with his pacemaker as the frequency of electrical machinery mimics heart beat and causes pacemaker to shut off. They are also told at this time that the newer pacemakers have a shield around them which protects them against outside environmental interfer-

ence. This type allows them to use micro wave ovens with no problems.

Our duty as nurses for patients with pacemakers include reminding doctors that the pacemaker should be returned to factory after death. It is the only way to find out if the pacemaker was functioning properly. The nurse should also explain the above to family.

Colleen's interesting talk showed us that her field of caring for Pacemaker patients requires much skill and education.

The next meeting of the St. Albert Nurse's Interest Group is April 19, 6:15 p.m. at the new Legion Hall. It is our wind-up dinner meeting and social with guest speaker Maggie Forbes talking on astrology. For dinner reservations call Clarise Anderson 458-2788 or Joy Aboussafy 458-2101 before April 14. All nurses welcome.

Meet the St. Albert Ladies Curling Club champions: Glenys Edwards, Marilyn Woytlik and Lois Neuman. Third Karen Schultze was unable to be present at the awards banquet when the team was presented with the Carling O'Keefe trophies.

Lady beware: Are you vulnerable to attack?

Women may be abandoning the kitchen and invading the hallowed halls of business, but on the streets and in our homes, we are as vulnerable as ever. However, there are some measures women can take to protect themselves from attack.

Although attacks will occur on women who are modestly dressed, it is still suggested that décolletage and other revealing modes are safer if worn in the boudoir than on the street.

When getting off a bus at night, look around to see if you are being followed. If someone suspicious is behind you, cross the street. If they still follow, be prepared to defend yourself by screaming and running to a lighted residence or busin-

ess, flagging down a passing car, and using an available weapon such as a nail file, high-heeled shoe or umbrella. Even a rolled up newspaper or magazine can serve as a makeshift weapon. It is used by thrusting the end of it forcefully into the attackers face.

Although it has been said endlessly, it must be repeated that accepting rides from strangers is a dangerous practice. If a car approaches and threatens you, scream and run in a direction opposite that of the car. He will then have to turn around to pursue you. Never carry expensive jewelry or large amounts of cash.

When walking, stay near the curb and avoid passing close to shrubbery, dark doorways and other hidden places. Don't take shortcuts. When approaching home, have your key ready. If arriving home by taxi or private car, have the driver wait till you are inside.

Caution should be taken when at the wheel as well. When possible, travel on well lighted, busy streets. Keep windows rolled up and doors locked. Do not leave your purse on the car seat.

When stopped at traffic lights, keep your car in gear. If your safety is threatened, lean on the horn and drive off as soon as possible. If you think you are being followed, do not turn into your driveway. If someone attempts to force you off the road, do not pull over. Take the car's license number and report the incident to police immediately.

Should your car break down, raise the hood and sit inside with the doors locked until assistance arrives. If a stranger stops to help, ask him to go to the nearest service station and request

assistance for you.

Women can take safety precautions even when in the home. If you live alone, list only your last name and initials in phone directories and on mailboxes. Change the locks on any new house or apartment.

Never open the door to strangers when alone. Call through the door or use a peep hole to determine the identity of callers. Have repairmen or salesmen show identification. Never mention to a stranger that a neighbor lives alone.

If you receive wrong number calls, never reveal your name or address or admit you are alone. Notify the police of obscene phone calls.

When at home draw window shades after dark. If in an apartment house, don't remain in the laundry room alone. It is often a place chosen for attack.

Anyone contemplating the use of a gun for protection should be aware of the hazards involved. Consult the police before making such a move. Remember that a gun can be taken from you and used on you.

If a suspicious person or persons are observed report them to the police. Never assume that someone else has.

The Rainbow Cafe - A meatless marvel

By Jeanne Jamison

Since little out-of-the-way places with character and individuality of their own have always been a lure and temptation to me, it's not surprising that I experienced a surge of excitement at having discovered what may quickly become a favourite in my list of dining spots.

Located above the High Level Natural Foods outlet on 109th Street about two blocks south of the bridge, The Rainbow Cafe offers its diners a limited but interesting selection of nutritious, vegetarian foods. A note on the hand-lettered and decorated menu explains the philosophy behind the Rainbow Cafe - to provide wholesome meals prepared from organically grown, 'natural' ingredients, a philosophy which makes up an integral part of the vegetar-

ian outlook on life. Adherents to this lifestyle believe that by pursuing a vegetarian diet a heightened level of self-awareness and spiritual peace can be attained.

The Rainbow Cafe and the High Level Natural Foods are part of a co-operative formed about 2½ years ago by a group of people interested in participating in their own food distribution system. As a direct reaction against the large chain-store concept and the poor quality of foods found within this system, the newly-formed co-op strove to control the products and the quality of those products and at the same time play an active role in the community organization.

The Rainbow Cafe employs seven full-time 'workers,' each one sharing in the duties, no one person taking

the roll of 'boss.' The people involved try to relate to each other as individuals much the same as the members of a family related to each other. The enthusiasm, openness and friendliness of the staff at Rainbow Cafe creates a comfortable atmosphere of warmth and fellowship which is generally lacking in most commercial establishments.

The rustic, almost primitive setting of the Rainbow Cafe is delightful in its simplicity and utilitarianism. The cafe only seats about 25 or 30 patrons, most of which are university students, co-op members and vegetarians looking for a nutritious meal.

Unlike the menus of larger establishments, the Rainbow Cafe offers a limited but very adequate variety of salads, main courses, sandwiches, desserts and beverages. All items are prepared fresh each day. The emphasis is, of course, on fresh, organically grown vegetables.

One of the 'specials,' which in my estimation is probably the best value at the Rainbow Cafe, is the Cheezy Special, which consists of a bowl of homemade soup, with a whole wheat dinner roll, a salad of fresh tomatoes, lettuce, green onions, celery, Greek olives and sprouts, and the 'cheezy' part - a slice of whole wheat bread, topped with cheese, tomatoes and more fresh sprouts. More than an adequate meal, I was unable to eat the entire dinner despite a valiant attempt.

The Greek salad is a 'piece de resistance' among many vegetarians, a treat which should not be limited to the non-meat eating portion of the population. The Rainbow Cafe's version of a Greek salad includes lots of cucumbers, green onions, red cabbage, tomatoes, celery, green pepper, feta cheese and Greek olives topped with

a mound of fresh sprouts.

Fresh sprouts are part of most of the salads, main courses and sandwiches at Rainbow Cafe and are a refreshing addition to any menu.

In addition to my Cheezy Special I ordered a 'Wonder Mix,' a fruit drink made from pineapple juice, strawberries and bananas, among other fruits. A great drink which I

strongly suggest you try.

The dessert list at the Rainbow Cafe is limited to a few delicious sweets - cheese cake, apple crisp, rice pudding, and yogurt with fruit and nuts, but the choice of teas is extensive - chamomille, mint, rose hip, sunrise, to name only a few.

The Rainbow Cafe not only offers wholesome, nutritious food, but it does so at a cost

which makes cooking at home seem like an unnecessary chore. The bill for a satisfying and delicious dinner for two will run between \$6 and \$10.

Many people are wary of an entirely vegetarian diet but a trip to The Rainbow Cafe is an experience which is sure to intrigue and delight even the most confirmed meat eater.

Playwright to star in own hit play

Bernard Slade, whose smash hit play *Same Time Next Year* opened on Broadway in 1975 and is still running there, will act in the Citadel's production which opens in The Shodor Theatre May 7. And the lady playing Doris in this comedy about a once-a-year affair will be his wife, Jill Foster.

Born in St. Catharines, Ontario, Bernard Slade entered the theatre as an actor then turned to writing for television and stage. His productions appeared on CBC TV, at The Crest Theatre, Toronto and The Manitoba Theatre Centre. He became a story editor for the TV series "Bewitched" and wrote the feature film "Stand Up And Be Counted" before making his Broadway debut with *Same Time Next Year*.

Jill Foster, also Canadian, began her career in Toronto appearing at the Crest Theatre and on CBC as one of the first television performers. She was seen frequently in leading roles in CBC TV dramas before moving to Los Angeles where she worked on such television series as "Bewitched" and "Love on a Rooftop."

Bernard Slade and Jill Foster will spend two weeks in rehearsal in Los Angeles, before they and director Warren Crane, who is currently directing Carol Burnett

and Dick Van Dyke in the Los Angeles production, do a final week of rehearsal in Edmonton with Phillip Silver's *Same Time Next Year* set.

With Bernard Slade and Jill Foster playing George and Doris, the couple who casually met in California in 1951 and see each other in a hotel room one night a year

ever since, The Citadel Theatre is the only regional Canadian theatre to have the right to produce *Same Time Next Year* which is the final production of the new Citadel's first season.

Same Time Next Year opens May 7 running through to May 28. Tickets are available at the Citadel Box Office 425-1820.

Playwrights workshop launched with new play

Theatre 3 will launch its new Playwrights Workshop in May with an eight-day session centering on The Mary Shelley Play by Calgary playwright Mary Humphrey Baldrige.

The Playwrights Workshop brings professional actors and directors together with playwrights, both to develop new plays and to perfect the working skills necessary to the production of original scripts. The eight-day sessions involve six days of rehearsal, plus

two others given to public readings of the work.

The Mary Shelley Play explores with pinpoint calculation the social grotesqueries surrounding Mary Shelley at the time she wrote her classic novel "Frankenstein." The repressive sanctions of her society, the vacuity of her relationships, and the gradual usurpation of her husband by the poet Byron are seen to contribute to the baroque state of mind that produced her great work.

Mary Humphrey Baldrige's *The Photographic Moment* was premiered by Theatre 3 in 1973, and subsequently produced in Toronto and for CBC Radio. Her plays have also been staged at Theatre Calgary and Lunchbox Theatre, and at Vancouver's City Stage.

Directing the workshop will be Theatre 3 Artistic Director Mark Schoenberg. He comments that "theatres such as ours must have an active commitment to the initiation and development of new plays. We're offering Alberta playwrights the opportunity to develop, in a healthy professional situation, scripts intended to proceed to full production. We hope that many of our future mainstage productions will originate with this workshop."

Public readings of The Mary Shelley Play are scheduled for May 22 and 23.

7,000 may drop in on Trade Fair

A minimum of 7,000 people are expected to go through the "turnstiles" at the next St. Albert Trade Fair thru May 13-15 at the St. Albert arena.

That's what Trade Fair organizer Roger Lemieux told the St. Albert and District Chamber of Commerce at its regular monthly meeting April 13.

About 10,000 admission tickets will be printed at 50 cents each, and children under 11 years old will be admitted free if accompanied by parents.

There will be 63 commercial and non-commercial booths at the fair, Mr.

Lemieux told the Chamber that 58 of these had been confirmed (April 13).

More information on the Fair will be available soon when an eight page "flyer" is published, with a program of events and general information.

That flyer will go as far north as Westlock, Mr. Lemieux told the Chamber.

There'll be organized parking around the arena and there'll be local talent for entertainment.

St. Albert Mayor Dick Plain and MLA Ernie Jamison will "cut the ribbon" for the three-day event, the Chamber was informed.

'The Lonely Road' a Canadian premiere at Studio Theatre

Studio Theatre presents Arthur Schnitzler's *The Lonely Road* in a new translation by Simon Williams. This Canadian premiere production is billed as a Special Event and not part of the regular Stage '77 season. It runs from April 29 to May 1 and May 3 to May 7 at 8:30 nightly, with no Monday performance.

Arthur Schnitzler, generally recognized by the Austrians as one of their country's very greatest dramatists, is all-too-little known outside the German speaking world. Only a small body of his drama is regularly performed on North American stages and this generally reflects only one aspect of his very varied work. Audiences mainly know Schnitzler through his cycles of one-act plays, such as *Anatol* and *La Ronde*, ironic studies of sexual promiscuity, or through his

wistful tragedy, *Liebeli*. However, in Austria and Germany greater attention is paid to his more substantial, full-length dramas, of which *The Lonely Road* is one of the finest examples.

The play was written between 1901 and 1903 and, not surprisingly, reflects the themes and concerns of the theatre at that time. As a result it should be of great interest to modern audiences who still find much to engage them in the works of Schnitzler's contemporaries such as Ibsen, Strindberg, Chekhov and Shaw. But while *The Lonely Road* reflects the subject matter of these dramatists, it is notable on its own account for in this play Schnitzler evolved a unique dramaturgy which is at least as rich as that of any of his better-known contemporaries. In particular the play records accurately and unsentimentally the decline

of Viennese society before the First World War, while the emotional directness by which the conflicts and crisis of its characters are com-

municated to the audience achieves a poignancy all too rarely encountered in the modern theatre.

The cast includes Henry

Kreisel, Sharon Pollock, Alan Bratt, Deborah Skelton, Jeremy Dix-Hart, Maurice Brand, Gloria Perks and Tim

Davisson. Simon Williams directs the play, with set and costume design by Victor Becker.

European Singers

After a successful tour in Europe and the U.S.A., a group of top Polish radio and television singers and actors will be touring Canada. Included in the group are Irene Santor, Jerzy Polomski, Hanka Bielicka, and Bernard Ladysz.

Santor and Polomski were well received at a classical concert which they gave at the Jubilee Auditorium two years ago. Two concerts will be held this year on Saturday, April 23, at 6 p.m. and 8:45 p.m. in the Central Edmonton Public Library

Theatre.

Both concerts will be open to the public. Tickets are available at the Holy Rosary

Church, 11485 - 106 Street, the Polish Credit Union, 11731 - 95 Street, and the Polish Hall, 10960 - 104

Street. For more information please contact concert manager Richard Makowski at 433-1369.

Mioussov at The Citadel

Ten persons and each one wants to see Mioussov. Why?

Will Normand Belanger, playing Mioussov, be able to escape Helene Narayana, Bob Papen, Jean McIntyre, Mario Martin, Eve Marie, Doris Friolet, Daniele Petit, Herve Martin, Guy Pariseau and Madeleine Monod?

"I want to see Mioussov" - Je veux voir Mioussov - at the Citadel's Rice Theatre, April 22 and 23 at 8 p.m. and

April 24 at 3 p.m. Season tickets are still valid. Free admittance for children accompanied by a season ticket bearer. Tickets are on sale at the Citadel Box Office, 9828 - 101A Avenue, phone 425-1820.

We are just waiting for you to start running after Mioussov!

Photography Exhibition

The work of artist Carolyn Stark will be on exhibition in the Photography Gallery of the Central Edmonton Public Library until the end of April. Ms. Stark's photographs depict the everyday life in

Hong Kong both in her use of landscape and portraiture. She prefers using color film rather than black and white, because, for her, color makes the photographs come alive.

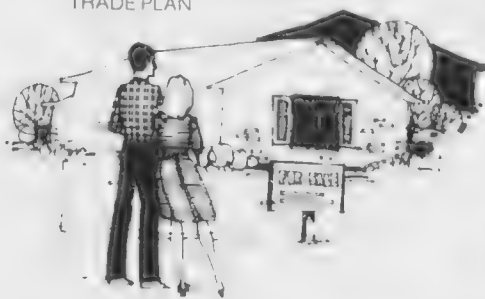

"Home Trading"

**The most practical-
and misunderstood-
way to sell the home you have,
and buy the home you want.**

How can you possibly buy a home before you know that yours is safely sold?

On the other hand, how can you possibly sell your home before you know that you and your family have somewhere else to go?

Eighteen years ago, Block Bros. looked at this problem and came up with a unique solution: The HOME TRADE PLAN

The idea of trading in one home for another seems to give some people the willies

They think that maybe the agent will use the trade plan for profit that is rightfully the property owners

And here's how we'll do it

You pick out the property you want to buy. We'll guarantee to purchase your house or other real estate at an agreed-upon price in writing

In addition, Block Bros. will give you an opportunity to sell at a higher price through our coast-to-coast real estate catalog

If you get a better offer than our guaranteed price, the benefit is totally yours

There is no extra charge beyond normal commission for this service

If your property does not sell in the open market, Block Bros. will buy it

you, on the other hand, have the satisfaction of knowing that you received fair market value

Drop into any of our offices, and we'll explain our Trade Plan in greater detail for you

And we promise to dispel all your willies

AGT GOOD NEWS PARTY LINE

CYSTIC FIBROSIS FOUNDATION

On Sunday, May 1st, the Cystic Fibrosis Foundation will present "The Biggest Flea Market Ever" at the Kinsmen Field House. The doors will be open from 1. to 6 p.m. The Edmonton Chapter of the Foundation has invited over 125 exhibitors to participate in this gigantic venture in order to raise funds for research to defeat this tragic childhood disease. Customers will find a tremendous variety of goods which include paintings, pottery, handicrafts, weaving, plants, home baking, antiques, jewelry, quilts, and rummage goods. Added attractions of this event are live music, numerous door prizes, coffee house, and abundant free parking. This event is the kick-off to Cystic Fibrosis Week in Edmonton.

RUMMAGE & BAKE SALE

The PTA Rummage and Bake Sale will be held Thursday, April 28 from 7 - 9 p.m., in the Leo Nickerson School gym.

The winning Cookie Day poster in Tamarac area, Girl Guides of Canada, was submitted by nine year old Cathy Gale (above). Cathy, a grade four student at Bertha Kennedy Elementary, attends St. Albert 12th Brownie Pack. Tamarac Area extends, roughly, from Winterburn to Kinsua and from Swan Hills to Smoky Lake. From the nine Alberta area winners, a provincial and finally a national winner will be chosen.

SPRING CONCERT
Da Camera Singers Spring Concert will be held Monday, April 25 at 8 p.m., at the All Saints Cathedral in Edmonton. Regular tickets are \$3.50, and tickets for students and Senior Citizens are \$2. Tickets are available at the Bay Box Office, from members, and at the door.

BOOK SALE
The St. Albert Public Library will hold its Summer Reading Book Sale at the Library on Grandin Road and Churchill Avenue on Sunday, May 1st. The sale will run from 1 - 4 p.m., and will feature paperbacks, magazines, fiction and non-fiction. Something for everyone is promised!

The Sturgeon Heights School Band entertained at the White Elephant Sale, which was held in the Community Hall last Saturday, and netted a little over \$500.00. This money will aid in sending 20 students from the Grade 7B class to Toronto on May 25 for seven days. The class is also raffling a Honda Civic, which is on display at Grandin Mall. [There are still many tickets available]. The week will be packed full

of tours to many historical sites, the planetarium, Ontario Place, a side trip to Niagara Falls, and various other points of interest, which should give the students a fairly wide view of Eastern Canada, past and present. Accommodation will be supplied by a Catholic School in Toronto, where the young scholars will have an opportunity to learn a bit about the education system in Ontario. Bon Voyage!

Skating Club annual meeting

All parents, as members of the club, are invited to attend the annual general meeting to be held Thursday, April 21 at the Akinsdale Clubhouse, 8 p.m. Many items will be on the agenda including voting on the new executive and amendments to the constitution, and discussion of the rules, regulations and registration for the following year.

There will also be an introduction to the professional instructors for the 1977-78 season. If any members of the club wish to order carnival pictures, they will be

available for sale only at this meeting. This is your opp-

portunity, as members, to learn of the business related

to the club, so we urge you to attend.

A PROJECT OF THE ST. ALBERT CHAMBER OF COMMERCE

Hutching's Shoes celebrates 10 years in St. Albert

St. Albert had a population of about 6,000 when Harry Hutching started his shoe business in January, 1967, and the road ahead didn't look too easy. Some advisers told him to stay away from such a risky venture. But Harry went ahead in the premises presently occupied by Stretch Couture in Grandin Shoppers Park. After some ups and downs and a lot of long hours and hard work the store proved itself and by 1972 Hutching's Shoes was ready to expand to larger quarters in the covered mall.

Prior to going into business for himself, Harry had a long and varied career. Originally a Neufie (and some say once a Neufie, always a Neufie) he left New Foundland in 1944 and spent two years working at different jobs in the U.S.A. He returned to Canada and worked for two years with a paint company in Toronto before getting into the shoe business. That proved to be the right place for him and he spent the next 18 years with a national firm, working in

Toronto, Oshawa, Regina, Edmonton and Saskatoon. It was in Saskatoon that he decided to make the cold plunge and get into business for himself and he left his family there for six months while he was seeking a spot and getting the business started in St. Albert. After Mrs. Hutching and children David and Karen arrived, Margaret took over the accounting, and she has been in charge of that department ever since.

As he celebrates his 10th anniversary this week Harry has a staff of four besides his wife: Frieda Pedersen who has been with him almost from the beginning, Doug Peterson of three years standing, Rena Yeats and Anita Bertrand. The store carries what is probably the largest stock in any shoe store in Edmonton and area, with shoes for every member of the family, including orthopaedic shoes for children and dancing shoes. From the outset Hutching's Shoes business was based on medium to high quality footwear and the store does not carry less expensive, low

quality lines. Major lines stocked are Hart, Bailey and Clarks in men's shoes and for women Joyce, Empress, Celebrity and Clarks. Savage Shoes and Buster Brown are the only lines stocked for children. Boulet and Texas cowboy boots are carried and Northstar, Pro-keds and Adidas joggers. There is also a full line of work boots, regular and steel-toed and rain wear, along with a complimentary line of ladies handbags for daytime and evening.

"The 10 years I have spent in business in St. Albert have been the most interesting of my 28 years in this business" said Mr. Hutching. He plans to continue with the same service and quality lines. "And as expansion continues to occur in St. Albert, we will expand with it."

Over the years Harry has seen a lot of shoe fashions come and go. The 1977 styles are most sophisticated, more refined than recent extreme fashions he noted. Today the lightweight, slip-on type of men's footwear is taking precedence, a neater look. Women's styles are also more sophisticated - more feminine and a lot dressier, said Mr. Hutching, with the macrame look very popular as well as a new line of sandals from Brazil. Leather is back after a period of short supply, but not cheap at the price of leather and with soaring production costs. Crepe sole shoes are found on almost all casual footwear today for indoor-outdoor wear, he added.

Harry Hutching has been active in community affairs since coming to St. Albert and he supports most local organizations. He is a member of the Breakfast Lions Club, the Chamber of Commerce and St. Albert representative of the Midnight Twilight Tourist Association, (with time out to go fishing).

To celebrate his 10th anniversary in business in St. Albert Mr. Hutching has lined up a lot of interesting prizes as advertised in this

issue and a special flyer.

It seems safe to say that Hutching's Shoes will be a

part of the St. Albert shopping scene for at least another 10 years - with the

familiar line of friendly banter coming at all who come in or pass by.

Harry Hutching with his staff are marking the 10th anniversary of Hutching's Shoes in St. Albert. With Harry from left are Frieda Pedersen, Anita Bertrand, Rena Yeats and Doug Peterson. They are expecting to have football player Gary Lefebvre with them on the Mall at 5:30 Saturday to present the anniversary celebration prizes of skateboards and shoes.

Cabane a sucre is a family affair at the Sportex

In eastern Canada, springtime always brings the renewal of a very old tradition: the harvesting of the sap running from the maple tree. This sap is collected in pails and boiled into a most delicious syrup and a very savoury golden sugar, both being much appreciated throughout Canada, as well as all over the world. This tradition, which was transmitted to us by the American Indians is part of our cultural heritage.

The words "cabane a sucre" which means "sugar cabin" or "sugar shack" symbolize the whole operation of gathering and boiling the sap.

The A.C.F.A. (Edmonton Section), assisted by most of the French cultural organizations, as well as the Department of Culture, has the pleasure of organizing the 28th annual "Cabane a Sucre" to be held Saturday next, at the Sportex, Edmonton, from 2 o'clock in the afternoon until one a.m.

Maple syrup and other maple products are imported from Quebec for this occasion. Some of the syrup is boiled to make toffee (tire) which is poured on snow, for

all to taste and enjoy (free). All maple products are available for sale.

Among various forms of entertainment, are the crowning of Mademoiselle Cabane a Sucre 1977, arts and crafts displays, a show featuring Franco-Albertan artists, games for children, beer sales, a dance to the music of a good band, etc... All are welcome to attend, it's a family affair; bring the children and bring your friends. Admission is reasonable at \$3 for adults, \$2 under 18 and children under 10 go in free. For more information call Ron Aubin, 454-2106.

Brownies pitch in

The 10th Brownie Pack is getting a head start on the Pitch In '77 campaign slated to run from May 9 - 15.

On Tuesday, April 19 the 12 girls in the pack will stage a "litter chase" from 4:40 - 6 p.m. The chase will be their public service for the year, and they will clean up in the area of the Grandin Village Clubhouse.

ENGAGEMENT ANNOUNCEMENT

Father John Kratko conducts the liturgy at the recently opened Holy Cross Ukrainian Catholic Church last

Saturday in the Newman College. Over 100 people attended the first service in the long awaited parish.

Ukrainian Catholics hold first service in St. Albert

The first liturgy celebration of the Holy Cross Ukrainian Catholic Church in St. Albert was held Saturday in the Newman College Chapel with about 135 people in attendance.

Father John Kratko, who has been appointed priest for the new church, conducted the liturgy at 11 a.m.

Christian Doctrine classes were held prior to the liturgy in the assembly area of the seminary, when the children and young people heard a discussion on the meaning of Easter and the resurrection.

Mr. Royer was interested to see the report on the early morning Easter greeting service in which seven St.

Albert churches took part this year at the Perron Street bridge. The greeting "Christ is Risen" and reply "Christ is Risen Indeed" has long been a custom in the Ukrainian Catholic Church, and is the common greeting among Ukrainians throughout the Easter season as they go into each others homes or meet on a street corner.

While there has been an indication for some time of the need for a new church in the area, it was largely through the efforts of Marshall Gizowski of St. Albert that the new church was established at this time. Mr. Gizowski contacted Bishop Savaryn in Edmonton and with the support of the bishop spearheaded the efforts to establish a new congregation to serve St. Albert and neighboring districts, towns and villages. It is estimated the Church will serve about 100 families eventually, and will start with 45-50 families.

Bishop Savaryn was happy to see the interest and encouraged the new parish to the utmost, although there are difficulties in building new churches in these times of high land and building costs. However, the co-operation of the Seminary is making the chapel available meant that the new church could be started much sooner

than would otherwise have been possible.

"We are greatly indebted to the people at the seminary," said Mr. Ron Royer, secretary to the new parish. He pointed out because of the tradition of the Ukrainian Catholic liturgy it is difficult to find a place to hold services, and the use of the chapel has solved the problem. Father Kratko trained at the seminary, he added.

Prior to his appointment to Holy Cross Parish, Father Kratko had served for a year as assistant priest at Holy Eucharist parish in Edmonton. Before that he had been pastor of Parish Cross parish in Surrey, B.C. and prior to that he served as pastor at St. Nicholas parish in Edmonton. He is the first Canadian married priest in the Edmonton Ukrainian Eparchy.

There are six Ukrainian Catholic churches and a cathedral, and the new Holy Cross parish here is the only other one in the Edmonton region.

Liturgy on Sundays in the new church will be bilingual in Ukrainian and English. At present work is being done on a constitution and a meeting will soon be called to establish a parish council. Plans are also underway to get the children and young people involved through youth groups, altar boy service and Sodality for younger girls an organization which gets them interested in cultural pursuits and activities of a traditional nature in the church.

Father Kratko will also begin visiting in the area served by the new church in order to get better acquainted with his new parishioners.

Telephone number for Secretary Ron Royer is 474-8746.

The Parable of the new neighbor

Pastor B. L. Heath
First Baptist Church

In like manner, another neighbor came to that place

and passing by on the other side said, "I don't believe in

being a fanatic about religion. I'll wait until he brings

up the subject of the church sometime, then I'll invite him to our church if he has time."

But a certain neighbor as he journeyed, came where he was and when he saw him, he was moved with compassion and stopped by to welcome him into the community. He showed interest in his spiritual life and invited him to church next Lord's Day. He even offered

to come by for him, which he did.

On Sunday morning he turned him over to the Sunday School Director and said, "Take care of this man for me and whatever else I can do, I'll do it."

Now which of these do you think was the neighbor unto him who moved into our community? Go and do thou likewise.

-Selected.

PERSONALLY SPEAKING

A certain man moved into our community. He didn't fall among thieves, he just moved in. By chance a neighbor came by and saw him.

The neighbor said, "I'm running late in my schedule and besides the preacher probably knows about him."

Lutherans to sponsor Easter Music concert

Sunday evening at 7:30 p.m., April 24, St. Albert Evangelical Lutheran Church will host an Easter Music Festival, the fourth annual concert.

Featured will be four

choirs from Edmonton Lutheran churches plus the St. Albert Lutheran church choir, male chorus and "Micah," a youth group. Everyone is cordially invited to enjoy an evening of Easter

song selections.

Sunday morning at the worship hour of 11 a.m., the congregational choir will present the Easter cantata, "Lord of the Eastertide," under the direction of leader, Jack Harstone.

Senior Citizens News

On April 30 the Almost New Shop will be in operation at the Centre from

1 - 4 p.m., when articles of used clothing (children's and adults) will be on sale at very

nominal prices. Donations will be accepted at this time. But please, make sure they are clean and in good condition. Phone Bernie Vaugeois at 459-6273 for further information.

Saturday, May 7 is the day of the "Spring Tea." As well as refreshments, there will be two tables - one for baked goods and the other for plants, both indoor and outdoor. All contributions will be gratefully received.

Lunch on Thursday, April 21 will be followed by a short session of easy exercises and a sing-song. Everyone is very glad to see Ethel Cuts back after her recent surgery and she'll again be leading the exercise session with Bertha Kennedy at the piano. The session starts at around 12:30 p.m.

Lunch is served each Thursday to a limited number through meals-on-wheels program. Any senior or anyone knowing a senior who would benefit from an occasional lunch in very pleasant company should phone Hettie Blades at 459-4756 or Pat Gray at 459-7476. A short program usually follows the lunch at around 12:30 p.m. to which everyone is invited. Because of the bowling banquet on

Thursday, April 28 the lunch is cancelled.

A group of ladies meets at the Centre on Wednesday afternoons at 1:30 p.m. to make articles in preparation for the sale which will be held in the fall. Materials are supplied for knitting, quilting, crocheting etc. and a lot of good work gets done - as well as a lot of "visiting."

All winter the Kinsmen Club have run a bingo every other Tuesday evening for members of the Senior Citizens Club. These bingos have been very much enjoyed and appreciated by the seniors as all the arranging, calling etc. has been done by the Kinsmen. Like all good things, they have to come to an end and the last one was scheduled for Tuesday, April 19.

The next card party will be held on Tuesday, April 26 at 1:30 p.m.

At the card party held on March 29, the prize winners were Alice Desrochers and Wm. Kinshella with consolation prizes going to Dorothy Newman and Rene Martin.

To finish up the month's social activities, the bowling banquet will be held in the Centre on Thursday, April 28.

New cancer tests save money, time

Some cancer researchers are reducing costs from \$150,000 to as little as \$10, and the results are just as dependable. This statement is absolutely true and in the midst of the fight to control cancer.

These money-saving and time-saving cancer investigations are used to identify certain people, place and things as potentially "High Risk" because they are more sensitive to carcinogens, the substances that can lead to cancer.

Finding the "High Risk" groups has traditionally been accomplished with the use of large numbers of experimental mice or rats. Previously, the test for carcinogens needed about 200 rodents, took between two and three years to complete, and cost anywhere from \$100,000 to \$150,000 -- just to test one compound. Now a

short-term test can be completed within a few days, hundreds of tests can be run simultaneously, and the cost? Between \$10 and \$50 compound.

At the University of British Columbia, a team headed by Dr. Hans Stich has devised a method using laboratory cultures of human body cells which does the job in a few days at small costs. The battery of short-term tests designed by Dr. Stich and his team are powerful tools with which to detect cancer-causing chemicals in man's environment and within man himself.

Many of the tests performed by Dr. Stich and his team are conducted in conjunction with other teams of researchers all over the world.

This cancer research project is one of many funded by the National Cancer Institute of Canada, from the annual public campaign of the Canadian Cancer Society.

THE CITY OF
St. Albert
ENGINEERING SERVICES

INVITATION TO TENDER CARETAKING SERVICES 1977-8

Sealed tenders for caretaking services of Municipal Buildings will be received until 4:00 p.m. local time on Friday, April 29, 1977 and opened at that time at the office of the City Engineer, City Hall, Churchill and Grandin, St. Albert, Alberta.

The work includes the supply of materials, labor and equipment for the cleaning of ten (10) Municipal Buildings totalling approximately 41,875 square feet in area.

Specifications and Tender Documents can be obtained on or after April 21, 1977 from Engineering Services, The City of St. Albert, Churchill and Grandin, St. Albert, Alberta, T8N 0G2.

The Owner reserves the right to accept or reject any or all tenders and to waive irregularities and formalities at his discretion.

THE CITY OF
St. Albert
REQUIRES

THE FOLLOWING SEASONAL STAFF

POOL NIGHTMAN: Part time positions open. Nightman is responsible for security of the pool and performs a variety of maintenance duties. Weekend shift is 11:00 p.m. - 7:00 a.m. Applicants should be 18 years of age and have a bronze medallion award. Applicants under the age of 18 should have written parental permission accompanying their application. Hourly rate is \$4.00 per hour. Please quote competition number 77/26.

POOL CASHIERS: Full time and part-time positions open. Cashiers are responsible for collection of monies payable to the city. Additional responsibilities include registration of classes and receptionist duties. Hourly rate is \$3.00 per hour. Please quote competition number 77/27.

Letters and applications quoting the above competition numbers should be directed to: THE PERSONNEL SUPERVISOR, CITY OF ST. ALBERT, CHURCHILL AND GRANDIN, ST. ALBERT, ALBERTA. T8N 0G2.

Closing date for applications is May 4, 1977.

THE CITY OF
St. Albert

FREE FIREWOOD

The City of St. Albert has cleared deadwood from the Braeside Ravine, between Sir Winston Churchill Avenue and Sturgeon Road.

The wood has been cut in fireplace lengths and placed along the footpath. Anyone wanting firewood can help themselves - the only price being the energy required to cart the wood away.

THE PUBLIC UTILITIES BOARD FOR THE PROVINCE OF ALBERTA

IN THE MATTER OF "The Gas Utilities Act", being Chapter 158 of the Revised Statutes of Alberta, 1970: as amended:

AND IN THE MATTER OF "The Public Utilities Board Act", being Chapter 302 of the Revised Statutes of Alberta, 1970: as amended:

AND IN THE MATTER OF an application by Northwestern Utilities Limited, the owner of a gas utility, for approval of changes in its existing rates and charges.

NOTICE OF PUBLIC HEARING

AN APPLICATION has been filed with the Public Utilities Board by Northwestern Utilities Limited (hereinafter referred to as "the Applicant") for the approval of the Board of a change in its existing rates or charges for gas supplied and services rendered by the Applicant to its customers, and more specifically for an Order of the Board approving a revised schedule of rates to give effect to additional cost of purchased gas to be incurred on and after May 1, 1977.

THE INCREASED COST OF purchased gas results from a decision of the Government of Alberta to increase the Provincial Support Price of Natural gas from 56¢ per Mcf to 69.5¢ per Mcf, effective April 1, 1977.

NOW, THEREFORE, TAKE NOTICE that the Board will hear any person having an interest in the matter at the Board's Offices, 11th Floor, Manulife Building, 10055 - 106 Street, Edmonton, Alberta, on Wednesday, the 27th day of April, 1977, commencing at 2:00 o'clock in the afternoon.

AND FURTHER TAKE NOTICE that unless objection by a person having a bona fide interest in the matter is received by the Public Utilities Board at its Edmonton Offices, during the course of, or prior to the above mentioned hearing, the Board may grant the application, in whole or in part or in substitution for that applied for without further notice.

AND FURTHER TAKE NOTICE that in the event that objections are received in respect to the matter the Board may set over such matter for further public hearing.

DATED AT THE CITY OF EDMONTON, in the Province of Alberta, this 7th day of April, 1977

PUBLIC UTILITIES BOARD

SECRETARY

Air Cadets have hectic week

Last Saturday, the St. Albert #533 Air Cadet Squadron 'attacked' Grandin Bowl for an evening of 5 pin bowling. It was recorded as a rather poor example of 5 pin bowling, however if the evening was measured in fun, it would be considered an undisputed success.

AIR CADETS IN REVIEW
#533 R.C. [AIR] SQDN.
ST. ALBERT
By Cpl. Mike Parkin
This article marks the end

of a very hectic and somewhat disorganized week of activities. I guess I should start my discourse from the beginning, so here goes.

On Thursday evening, April 14 the entire squadron, excluding Sgt. Klein and several officers, went on a tour of the legislative build-

ings in Edmonton. We were given a brief history of the building, and then spent some time in the public observation galleries, where we were introduced by St. Albert MLA Mr. Ernie Jamison. We then sat in on a discussion of energy, which included some reference to energy conservation. This met with a comment from an anonymous sergeant of "Why do they have so many lights on here, if they are talking about energy conservation?" After listening in on some of the debate, we left the galleries and listened to a brief discourse from Mr. Jamison. Afterwards, we received Alberta pins and booklets on the legislative buildings.

Saturday evening, April 16, the squadron held a bowling evening at Grandin Bowl, which was very well attended. We witnessed several unorthodox styles and a lot of gutterballs, but everyone had lots of fun. Many thanks to Cpl. Maybee and Sgt. Klein for organizing this, along with the help from the squadron's officers.

Sometime after noon hour, on Sunday, April 17, Major Maybee received a phone call from Namao. It seemed

that 418 Reserve Squadron had a twin otter ready to fly, but 395 squadron had not shown up for familiarization flying, and 533 was asked if we could have 18 cadets at Namao in one hour, to fly. As I understand it, 18 disorganized cadets got into uniforms and arrived at Namao in time to fly. To their delight, a sergeant from our squadron, who is also a member of 418 Air Reserve Squadron was washing windows on an otter, instead of giving orders. Several cadets

who had never flown got up to fly, as well as several who had flown, and everyone enjoyed the flight.

A reminder regarding the squadron's annual inspection - The annual inspection is to be held on May 5, in the St. Albert Arena, followed by an open house at squadron headquarters in the St. Albert Community Hall. The general public, including parents and any people interested in joining the squadron next year are urged to attend.

New books at The St. Albert Public Library

By Margrit McCraith

The Age of Uncertainty by John K. Galbraith. The ideas of economists and social philosophers shape actions and events even when we are unaware of their sources. They have had a decisive influence on the great rush of change and revolution through which the world has passed in the last two hundred years. Professor Galbraith traces these ideas and their consequences from Adam Smith and Herbert Spencer, through Marx and Lenin, to Keynes and on to concepts and events that gave shape to the Cold War, the modern corporation, the struggles of the Third World and the problems of modern urban society. **The Age of Uncertainty** is also the subject of a 13-part television

series on CBC.

The Cracker Factory by Joyce Rebetta-Burditt. The story of Cassie Barrett ... typical suburban housewife; she has three children, a husband she isn't sure she loves, a lover she knows she doesn't, a psychiatrist she adores and wants to murder, a major drinking problem, and Cleveland's fastest, fun-

niest mouth.

The Forked Road Canada 1939-1957 by Donald Creighton. "In the 18 years from 1939 to 1957, Canada made a number of crucial decisions about its direction. It chose one fork of the road to the future; and the Canada we inhabit today is, for both good and ill, very largely the result of that decisive choice." - from the author's preface.

History of the Canadian Pacific Railway by W. Kaye Lamb. The story of a bold concept that built a railroad -

The Canadian Pacific - along the world's longest international border. In the 90 years since the Canadian Pacific completed its line linking East and West, no single organization has contributed more to the country's vital development.

The Russians by Hedrick Smith. For three years, 1971-1974, as Moscow Bureau Chief for the New York Times Hedrick Smith listened and probed and painstakingly pieced together the amazing jigsaw puzzle of facts, manners, and anecdotes that present a Russia that the West has never perceived before (winning the Pulitzer Prize for doing it as well!).

Twilight of the City by Charles Platt. A futuristic vision of America that blends elements of science fiction, suspense and frighteningly plausible reality. A novel set in 1997 when America is on the verge of collapse.

Submitting his play to a producer for the 10th time, a would-be playwright fervently declared: "You have no idea how hard I've worked on it, polishing up lines, changing characters around, rearranging scenes and structure."

"What a pity," said the producer, handing the manuscript back to the writer, "all work - and no play."

Large crowd witnesses curling awards program

About 260 curlers, spouses and guests attended the wind-up dinner and awards presentations of the St. Albert Curling Club Saturday evening at the Legion Hall, when President Gerry Fisher introduced special guests: Mayor Plain and Margaret, MLA Ernie Jamison and Shirley, Manager Bill Hite and wife Nomy, icemaker Ray Kremer and Mrs. Kremer and concessionaire managers Bill and Jane Fisher. The clubs life members were also recognized: Armand Donais, Wally Irwin Jim Flynn, Casey Anderson,

Art McCormack and Betty Anderson. It must be admitted that Bill Hite and Ray Kremer received the lions share of the applause.

Master of ceremonies Hector Gervais took over for the awards program and as Hec moved through the presentations many surprising - indeed shocking revelations were made about the private lives of prominent guests and curlers.

Ladies club champions received the Carling O'Keefe trophy from the firm's rep Barry Booth. They were Glenys Edwards, Karen Sch-

ultz, Marilyn Woytlik and Lois Newman. Mixed Club champions, Dave and Anita Raymar and Ray and Eileen Labonte were presented with the Veness trophy by Bob McMaster. Men's Club champions, Roger Comeau, Harvey Stelte, Lynn Clark and Bill Webb received the large silver bowl trophy by Simpson Sears from President Gerry Fisher.

Plaques were presented to the Northern Alberta Curling Association and Zone winners. Mixed winners were Roger Comeau, Bunny Porowski, Mary Porowski and Irene Fielder. NACA Senior winners were the Lorne Brothen rink with Bruce Wilson, Elmer Beisiegel, Lou Reaugh. Winners of the Zone Mixed plaque were the Thorburn and Russell rinks. Playing with Glen Thorburn were Gloria Nolan, Dave Berezan and Ellen Hodgins. Ron Russell had Cheryl Maxwell, Gary Maxwell and Laurie Hyland.

The Armand Donais rink won the Senior Men's zone,

Lefty Mack, Bob Durward and Casey Anderson. Senior Ladies zone winners were Olga Kormanisky, Vi Tetreau Jess Nibblett and Elsie Schneider.

The special Gateway Building Supplies President's trophy went to the Barry Ainslie rink, with Brian Richardson, Andy Klaasen and Dave Chalcraft.

Glen Thorburn's rink won the competitive Tuesday night men's league trophy, presented by Garry Hodgins of St. Albert Tire and Auto Repair. Curling for Glen were Brent Hodgins, Dave Berezan and Don Tennant.

Manager Bill Hite recognized the Section winners. Section A was the Truckey rink, with Geoff Gonnet, Mike Shabada and Paul Rosluk. B winners were Armand Donais, Barry Ainslie, Brian Richardson, Andy Klassen and Dave Chalcraft. (Mr. Donais was away part of the time). Section C winners were Ray Norum, Dave Martens, Cliff Norum and Noel Southwick.

Winners of the Wednesday night mixed league were Leon and Charlotte Root, Neil and Heather McKay. Thursday mixed went to Dave Rudge, Mrs. Rudge, Danny Swail and Mrs. Swail. Vince Ratchinsky's rink won the Saturday mixed A, with Anita Ratchinsky, Ron and Joanne Nelson. Saturday Mixed B winners were Ray and Bernie Norum, Barry and Pat Burgess. Sunday Mixed A

was won by the Alex Waters rink, with Judy Waters, Gordon and Donna Parchewski. Bob Byron with Myrna Fyfe, George Fyfe and Betty Byron won the Sunday B section.

Past President Dennis Moore presented outgoing president Gerry Fisher with an engraved plaque on behalf of the club and Shirley Fisher received a plant in a macrame hangar for her appreciated assistance.

Saints

baseball practice

St. Albert Saints senior baseball team will hold their first workout of the season this Sunday afternoon at 2 p.m., at Mission diamond. Additional practices will be held every Tuesday and Thursday evenings as well as each Sunday in preparation for the league opener May 25th.

Saints are entered in the five-team Sunburst Baseball

League with teams from Fort Saskatchewan, Edmonton Cardinals, Blue Willow Jr., and Almac Jr. Steelers.

Spokesman Art Rechlo indicates all positions are open with pitchers especially in demand. Should you not be able to attend Sunday and are planning to try out please phone Mr. Rechlo at 458-1671.

Legion moves to reform pipe band

The St. Albert Branch of the Royal Canadian Legion is planning to re-organize their pipe band.

The Branch had a very good band before and as the city has grown there should be plenty of people around who would like to form one again.

If you are over 18, male or female, can already, or would like to learn to play the bagpipes or drums, please apply to the Legion in writing by April 30. If there is sufficient response, training will start in May. Previous military or musical training would be an asset but it isn't essential.

Mail or drop off your applications marked "Pipe Band" to the Legion office in St. Albert.

There are still some tickets left for the Presidents Ball on Saturday, April 23. The tickets are \$25 each which includes a Filet Mignon supper and dancing to the "Sound Merchants."

All male members of the Branch are advised that Ollie Kendel is booking for volunteers to help with the "Mother's Day" breakfast which is held on May 8. If you can spare two hours on this Sunday morning give him a call or leave your name at the office.

another reason to smile at Eaton's.)

Gervais honoured by curlers

"His name is synonymous with curling and is known not only in every province and territory of our country, but in every country that has heard of the sport of curling." These were Ray Kremer's words when he was asked to make a presentation of a life membership in the St. Albert curling club to Hec Gervais, "the friendly giant."

Ray and Hector go a long way back in curling - to 1949 when the old two-sheeter opened across from the Bruin Inn. Curling was unknown to the young teenagers around town then, but they were curious and a number of them began curling, including 15 year old Hec Gervais. "The guy soon made curling look so easy that the rest of us felt deprived of co-ordination," said Ray. Since hockey teams had names they called their curling team the "river rats" and while they never went on to fame, their skip, the big St. Albert potato farmer certainly did, said Mr. Kremer.

He recalled the many bonspiels in St. Albert and surrounding towns, when top prizes were hammers and saws - "Hec accumulated 18 hammers and 26 saws!"

"As the years went on," continued Ray, "some of Hec's curling feats boggle the mind - like winning the Sunday League (for only the best curlers in Edmonton area) for 10 out of the 12 years it was held." He also remembered Hector winning the Viking Fridge Spiel year after year, the Derrick Yuletide - the Lethbridge Rainbow, Vancouver's Evergreen and countless other spiels across the country - and how many times did he win Northern Alberta Curling Association bonspiels! Then there were the Briers and the world curling championships.

But what Ray Kremer really wanted to bring out Saturday evening was Hec's great contribution to the St. Albert Curling Club. The public relations he created simply by always treating St. Albert as his own club just

cannot be measured, Ray said, and because of the kind of guy he is, he is a tremendous asset to any club.

"He went about winning without ever losing any of his humility and pleasant way. Hec has always a pleasant word for anyone, be he winner or loser, critic or admirer. There has never been a finer ambassador to the sport of curling."

Mr. Kremer also listed out some of Hector's other contributions to the St. Albert club - coaching boys and girls teams and assisting with curling schools over the years, promoting the club's cash spiel every year and helping where required, serving as an excellent master of ceremonies, acting as a director during the club's more difficult times and returning to serve again in the coming year. He noted that his wife Helen and four of their children also curl - Hecy, Stanley, Kim and Janet, with only Sandra not presently involved.

"To be respected and admired by ones peers is the ultimate success and it is in that spirit that we proudly present you with this award" concluded Mr. Kremer.

In accepting the life membership award Hec said "You couldn't have got a finer guy than Ray Kremer." He recalled the River Rats team when Gordon Fuhr and Jake LeClair played with him and Ray and the fun they had. He pointed out that in the late 50s he did curl in the city and that he won his first brier out of the Alberta Avenue Club. "So it really pleased me that I was able to win the 1974 Brier out of St. Albert," he said - I really wanted to do that.

"It doesn't matter whether you are rich or famous, said Hec in accepting the award, "you need friends, and I've got lots of them." Helen Gervais was asked to come forward to accept the award with her husband, as the large crowd stood to give Hec Gervais a standing ovation - for the second time that evening.

Tymko's overtime goal gives Comets league championship

A goal by Andy Tymko in sudden death overtime Thursday night gave St. Albert Comets a 5-4 win over Sherwood Park Barons in the fourth and final game of a best of seven series for the Alberta Major Intermediate Hockey League championship.

Comets had earlier defeated the Barons by scores of 3-0, 5-2 and 5-0 as goaltender Dale Henwood came up with some tremendous netminding.

Comets also received superb performances from their blueline corps and the forwards were skating both ways in all games.

The win over the Barons was a little revenge for St. Albert as they were knocked out of the provincial "A" playoffs in the opening round by Sherwood Park on scores of 5-3 and 4-3.

Comets were undefeated in "B" play and won the Alberta championship, defeating Olds Elks in the finals.

In all fairness the Barons were hurting in the league finals as they were able to dress only 10 skaters and two goaltenders for the entire series. Five regulars were out with assorted injuries.

Comets also were without their top scorer, as Perry Pearn missed all the games with a bruised hip that wouldn't respond to treatment.

Comets had a very successful season playing a total of 50 league, playoff and provincial games, coming up with 42 wins and only eight losses, five of which came in league play.

The team scored a total of 265 goals while allowing only 151 which is an excellent percentage in any league.

ST. ALBERT DOMINATED FINALS

In the league finals, St. Albert completely dominated both their shutout games and were never behind in any of the games.

Comets received goals from Rich Perrault, Dave Vinge and John Phelan in the opening 3-0 win with Henwood shutting out the Barons.

The second game played in the Park saw St. Albert take a 2-0 lead early in the final period on goals by Phelan and Danny Towpich. Barons came back to tie the game on goals by Henry Van Drunen and John Gallimore with eight minutes remaining.

Rookie Pat Frewer scored St. Albert's third goal less than a minute later and insurance goals by Phelan and Rich Perrault gave Comets a 5-2 win and a 2-0 lead in the series.

The third game was played in St. Albert Wednesday night and the Comets came up with a 5-0 win with Henwood making some excellent saves for two periods and Mike Stewart finished off the game without allowing a goal.

Phelan and Dave Vinge had a pair each with Brian Georgy getting the other.

FINAL GAME VERY CLOSE

The fourth and final game in Sherwood Park Thursday

saw the teams tied 2-2 going into the second period as Vinge and Doug Currie scored for St. Albert and Van Drunen and Darryl Meyer replying for the Barons. Currie scored the only goal of the middle period to give St. Albert a 3-2 lead going into the final 20 minutes of play. John Gallimore tied the game midway through the period and it was the only one of the period as both

goaltenders were hot.

In the first overtime period which was 10 minutes straight time, St. Albert scored first on Brian Georgy's goal at 3:31 only to have veteran Fred McKenzie score for the Barons at the 7:38 mark to tie the game and send it into sudden death overtime.

Tymko's goal from Perrault and Currie with just over eight minutes gone gave St. Albert a 5-4 win and the

series in four straight games.

All games in the series were cleanly played as both teams stuck strictly to hockey and gave the fans their monies worth.

The Comets' management, coach and players would like to thank their sponsors who helped them financially during the year and especially to their many loyal fans who supported the team throughout the season.

Generals upset All Stars in close game for CF

The second annual Kinsmen Club of St. Albert Cystic Fibrosis All-Star game was played Saturday night in the arena with the Standard Generals coming up with a 10-9 win over the All-Stars.

The win for the Generals evened up the series as the All Stars were 7-5 winners in the first game last year.

Kinsmen C.F. chairman Norm Tate had some pretty good players lined up on the All Star roster and appeared to have the game won before the Generals came up with a pair of goals in the last two minutes of play.

The game produced 19 goals, 10 of which came in the opening period when both teams came up with five. As the score indicated there was not too much backchecking and both goalies were a little rusty.

Generals received goals from Roger Meunier, Jim Grant, Blaine Galbraith, Gilbert Longpre and Geoff Holden.

All-Star scoring came from Dave Grice, Darrel Bilstien, Doug Egen, Roger Bourbonnais and Rich Perrault.

The second period produced only one goal as Doug Ferguson of the All Stars scored to give them a 6-5 lead going into the final period of play.

All-Stars took a 7-5 lead early in the final period on a goal by Dennis Sanche but General's Matt Lister scored

shortly after to put them within one.

Gary Ferguson joined his brother Doug on the All Stars scoresheet to give them a two-goal lead once again but it was shortlived as Les Hrdlicka and Steve Foreman scored for the Generals to make it a 8-8 game.

Rich Perrault with his second of the night, put the All Stars in the lead at the 14:09 mark of the period but the Generals refused to give up and scored a pair of goals in the final two minutes to win the game 10-9. Jim Grant scored his second of the night to tie the score at

18:08 and Dave Shipanoff scored at 19:22 to win it.

The referees had very little to do all night as the All Stars took only four minor penalties and the Generals only one minor.

The crowd of less than 100 was a little disappointing since the proceeds were certainly going to a very worthy cause. Game organizers are looking at a much earlier date next season and feel with a little fan support they can make it a worthwhile event to aid the fight against Cystic Fibrosis, a crippling children's disease.

Eight hockey awards presented at Generals banquet

St. Albert Standard Generals junior hockey club held their annual banquet and player awards night recently at the Legion Hall with President John Grave as the master of ceremonies.

Mr. Grave spoke about the season's accomplishments and gave thanks to those who helped out in running the team. He congratulated the players on a fine season.

A total of eight individual trophies were given out:

Matt Lister was the team's

most valuable player and accepted the Standard General trophy from Mr. Bill Gardner.

The "Rookie of the Year" trophy donated and handed out by Mr. Tom White went to Dave Shipanoff.

Harry Hutching of Hutching's Shoes donated two trophies and presented Ralph Chambers as the top goaltender and Matt Lister as the team's top scorer.

St. Albert Sabres win Juvenile tournament

St. Albert Sabers under head coach Bob Stout won the annual Northern Alberta Rural Hockey League end of the year juvenile hockey tournament held in Morinville last weekend.

All league member teams took part with the biggest surprise being the calibre of Morinville play and the lack of hustle by league champion Gibbons.

Gibbons opened up the tournament Wednesday

night with a 4-0 win over St. Albert to drop the Sabres into "B" play.

The other game saw Morinville, who failed to make the league playoffs, come up with a convincing win over Athabasca.

Thursday night had only one game and in the penalty-filled contest Morinville eliminated Gibbons from the tournament with a 7-5 win. The game came very close to being called before regulation time as both clubs did

not display any love for each other, and over 30 penalties were handed out.

Friday night saw St. Albert score a 10-2 win over Athabasca led by Brian Harris with four goals and Mike Mitchell with three. The win moved St. Albert in the "B" final, and as Fort McMurray failed to show up for their game with Redwater, the Sabres moved into the tournament final to play the winner of Morinville and Redwater.

Morinville won, and in the final game the Sabers came up with a convincing 6-2 win with Jim Scheibelhofer leading the way with a pair of goals. Harris, Franz Opderheyde, Bill Carstairs and Mike O'Hara added the others.

The Reimer-Ness Memorial trophy for the tournament's most sportsmanlike player went to Ken Biddiscombe of Morinville. The trophy was presented by the parents of the late Darrell Ness and Dennis Reimer who both played for St. Albert and lost their lives in a motor vehicle accident while on their way to a hockey game in Morinville earlier in the season.

A banquet and dance followed in the Recreation Centre and Governor Cam Dubord is to be commended for the work he put into the event.

Mixed Club 1977 champions and winners of the Veness trophy are the Dave Raymar rink, with Anita Raymar, Ray and Eileen Labonte. Bob McMaster presented the trophy at the curling club banquet Saturday evening.

St. Albert Minor Baseball

BAT - TIME STORIES

AS TOLD
BY
UNCLE RICK

BASEBALL DAY IN ST. ALBERT LOOKS BIG

With "B" Day (Baseball day in St. Albert) fast approaching - April 30 to be exact - most teams in all five divisions have already started practices in anticipation that 1977's baseball season will be one of St. Albert's finest for the record number of "minor leaguers" expected to compete.

Lets meet the division heads - the guys who hear complaints and will try to keep players, coaches and parents happy: T-Ball - Norm Heemeryck; Mosquito - Vic Hogan; Beaver - Pat Keller; Bantam - Jim Gleason; Midget - Ben Tooth (also coach).

NEXT MONDAY NIGHT

Hard-working president

Bob Burns will hold a general meeting for division heads, umpires and coaching staffs of the various teams at the Kinsmen Field House. If Bob gets the proper key this time he's expected to bring the gavel down at 7 p.m. This will be a beautiful opportunity to hear - first hand - the final plans for the 1977 baseball season ahead.

Mike Basaraba, chief umpire, reports that he has over 17 potential umpires lined up to attend an umpire's clinic next Saturday at the Percy Page Centre in St. Albert starting at 9 a.m. Any questions, call Mike at 458-0468.

Yes, the coaches are also having their clinic the following day with the same starting time at the same location.

Equipment chief, Bert Labuick has been busy lining up more hardware. We understand that baseball bats - sorely needed - are on their way. Patience, Bert says, will be appreciated.

Big plans regarding fund raising will be announced by our finance "minister" Hank Matoga, next week - enuf said - for now.

Dennis Cockwill, league safety officer, is laying plans for a "safe and sane," April 30. See plans by parade chairman, Gerry Samagalski elsewhere in the sports section for that day.

Capital Cable, Channel 5, will air our first program of the baseball season next Wednesday at 8:30 p.m. The St. Albert Baseball Sports Scene ("Seen") - get hooked now!

Remember - "diamonds are a boy's best friend"!

awards

Cont'd From Page 25
trophy for the top player in the playoffs went to Jim Grant and he received the award from Mr. Grave.

The St. Albert Sportshop trophy for the most sportsmanlike player went to Roger Meunier and Ken Pollon gave out the award.

The Westcon Concrete trophy for the best defenseman went to Murray McLaren.

The "Coaches Award" for the team's most improved player went to Steve Foreman.

The management and staff of the Generals would like to thank the many fans who supported them throughout the season, and they hope to put on some more entertaining junior hockey next season.

Nu-West Canadians end season with tourney

Al Laplante took his St. Albert Nu-West Canadian Pee wee BB hockey team to the popular 10th annual Saskatoon North Star hockey tournament on April 14 and experienced once again "the thrill of victory and the agony of defeat."

The victories and losses came in the playing arena, however, the end result after 66 games of hockey throughout the 1976-77 season was not calculated primarily on goals and assists. Winning was foremost but could not be concluded as primary throughout the tremendous educational and learning process afforded these 12 and 13 year old city representatives. The attempts by all concerned were to convey good sportsmanship, honesty, loyalty, courage and respect for authority, and to place them in their proper perspective, and hopefully

these efforts touched each boy in various ways throughout the season. Each player was treated fairly according to his ability and game situations but more important they were exposed to tough adult decision making processes which they eventually realized had to be made. They learned not only to be better hockey players, but hopefully, how to be better citizens who are growing up to be respectable, healthy and trustworthy adults.

During the four day tournament the Canadians played teams such as the powerful city champion Saskatoon Aces, the Saskatoon Knights, North Battleford, the Saskatoon Colonels and a loaded Calgary squad. The Canadian's record at the end of the event was two wins and three losses.

Sixteen top super pee wee hockey clubs came as far

away as Peterborough, Ontario, to compete in this exceedingly well organized tourney which wound up the season.

Although there were the normal individual game stand-out performers, this is the time of year when all eggs should be placed in the same basket and receive an equal amount of credit for day to day performances. As an organization, all concerned with the Nu-West Canadian Hockey Club should be afforded the congratulations of the St. Albert minor hockey fraternity.

So, well done St. Albert Nu-West Canadians, and to all of you, continued success in future endeavours and thanks for the moments.

Skip Roger Comeau, left with curlers Harvey Stelte, Lynn Clark and Bill Webb with their individual trophies as St. Albert Men's Club champions. The rink was also presented with the large Simpson Sears trophy for annual competition by club president Gerry Fisher.

Multi-coloured ducks and geese

Alberta Recreation, Parks and Wildlife's fish and wildlife division requests the co-operation of Albertans in reporting sightings of multi-coloured ducks and geese this spring.

About 3,600 waterfowl are expected to be involved in an avian cholera study being conducted by the Nebraska Game and Parks Commission.

The study involves six species of waterfowl - Cana-

da geese and white fronted geese, and mallard, pintail, wigeon and gadwall ducks.

The marked waterfowl have been spray painted on the upper side of their wings. Colors include red, blue, green, yellow, orange and purple.

Sightings may be reported by telephoning 464-0641.

The marked waterfowl will molt their painted feathers after spring nesting.

Clay coming off ball diamonds

It seems the situation surrounding the Langley Park ball diamonds is getting straightened around. The City has hired Standard General to move the estimated 8,000 yard of fill off the diamonds and onto the playground site at Ronald Harvey school.

City engineer, Don Corrigan, who knew nothing about the situation until he met the playground architect at the site after the fill clay had been spread on the site of three ball diamonds, contrary to a former report from the playground committee. Mr. Corrigan said he was very pleased that the Protestant School Board had agreed to let the creative playground be put on school grounds. Moving the stuff is expected to cost in the neighborhood of \$4-5,000, and it will be done prior to the April 30th opening day celebrations of the Minor Baseball Leagues.

While the diamonds will not be in very good condition

for awhile, President Bob Burns of the Minor Baseball says he will be able to schedule games right away for the 6-9 year old players in T-Ball and Beaver divisions. Originally one of these diamonds could have also handled some Bantam practices and games, but Mr. Burns does not think a diamond will be ready for Bantam play this season.

IN BASEBALL - The Alberta Baseball Association and the Department of Parks, Recreation and Wildlife are sponsoring two clinics this weekend. The umpires clinic is set for Saturday, starting 8:30 a.m. at the Percy Page Centre in St. Albert. A Level 1 coaches clinic will be held Sunday, also starting at 8:30 a.m. at the Percy Page Centre. For further information, contact Murray Stueves at 458-5440.

Skyhawks to perform in city

The St. Albert Minor League Baseball Association have signed up the world famous Skyhawks to perform high over Paul Kane field in conjunction with "opening

day" baseball ceremonies. The spectacular Skyhawks program will take place immediately upon conclusion of the opening day parade

which kicks off from Mission Park at 10 a.m., Saturday, April 30, 1977.

The Skyhawks of the Canadian Forces Parachute Team are among the finest parachutists in Canada. Each man is an expert, having up to 1500 jumps. He can fly through the air under absolute control, performing aerobatics and formation flying. He can vary his rate of descent and move across the sky in any direction, attaining speeds from 120 - 200 miles per hour.

The normal jump altitude is 10,000 feet. At almost two miles up, jumpers wear smoke cannisters on their boots to mark their paths for the spectators. Using an altimeter and a stop watch, each jumper freefalls for up to 45 seconds before activating his steerable Para Commander canopy at 2200 feet above the ground. With his parachute the jumper can control his descent for a pin point landing.

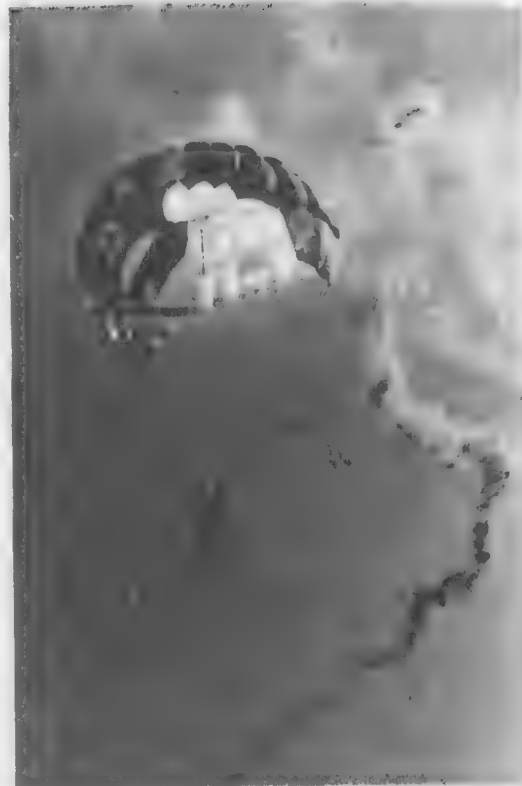

The Skyhawks was formed in 1971 at Canadian Forces Base Edmonton and has

appeared in scores of air shows across Canada. Last year the team completed 1427 parachute descents before an estimated 1.5 million spectators.

The Skyhawks are professional soldiers with primary duties as parachute instructors, Parachute Riggers, or test parachutists. When not employed as Skyhawks, team members assist in developing parachuting techniques and in the training of military free-fallers at the Canadian Airborne Centre in Edmonton, Alberta.

This specialized exhibition and display will take place over Lions Park and will consist of three aircraft passes and three separate jumps involving eight Skyhawks.

The aircraft used in this demonstration will be a CF CC138, Twin Otter, and will be manned and piloted by an all St. Albert crew. Major Terry Hartvigsen, Capt. Murray Sweetman and Capt. Leon Harding will be at the controls.

Edmonton Oilers scored a convincing 7-2 win over

Riopel heads baseball league

Paul Riopel was re-elected for his 10th term as commissioner and league secretary of the North Central Alberta Baseball League at the league's annual meeting held at the Sturgeon Regional recreation office Monday night.

All 1976 league members will be back again in the popular league as Vimy Blues, Westlock Red Lions, Bon Accord Tigers, Morinville Manufacturers, Linaria Flyers, Rochester Lions, Barrhead Broncos and Legal Pontiacs had representatives in attendance with entry fees.

Riopel's re-election was unanimous as has been the case in the past two years. He runs the league with an iron hand and is fair and co-operative with all teams.

League schedules will be released shortly along with tournament dates from all teams and will appear in future issues of the Gazette.

Houston Aeros Sunday afternoon in the Coliseum to record their first win in the best of seven west division quarter finals.

Aeros won the first two

games in Houston by scores of 3-2 in overtime and 6-2 in regulation time.

Brian Campbell and Brett Callighan led the Oiler goal scorers with a pair each while single counters went to Dave Langevin, Randy Rota and Gavin Kirk.

KENNY BRODERICK

Oilers were in the lead throughout the game as they took period leads of 3-1 and

5-2 before shutting out the high scoring Aeros in the final 20 minutes of play.

Gordie Howe and son Mark replied for the Aeros, as Oiler goaltender Ken Broderick had an excellent game between the pipes, stopping 27 Houston shots. Aeros Ron Graham was also busy at the other end as he faced 40 Oiler shots.

The win was only the second of the year over the

Aeros as their other win came in a March 30 league game when they shut out the Aeros 8-0. Aeros have seven wins and a tie in their other meetings.

The win was costly for the Oilers as all star defenseman Barry Wilkins re-injured his knee and will be lost to the team for the balance of the season. Wilkins was only back in the line-up for two games and his blue line

position will be taken by veteran Doug Barrie or Glen Patrick who watched the game from the press box.

The fourth game of the series will go tonight at 8 p.m. and it will then be off to Houston for the fifth game Friday night. Should a sixth game be necessary it will be played in Edmonton on Sunday. The seventh if necessary will be back in Houston next Tuesday.

Awards presented Calahoo hockey banquet

The annual Calahoo Sports Association minor hockey banquet and awards night was held Saturday evening in the Arena hall.

An excellent turnout of players, parents and members of the sports-minded community were on hand to honour the stars of the future.

The evening started off with a tremendous meal prepared by the ladies of the community and as always it was "fit for a king."

Master of ceremonies Larry Mitchell then had the pleasant task of introducing

the coaches, sponsors of many fine trophies and to talk about the minor hockey program in Calahoo.

The sports association presented engraved appreciation plaques to all coaches and each boy and one girl were given trophies.

Ken Coyes (shaver), Wilfred Berube (mite), Cliff Fowler (peewee) and Tom Fowler coach of the bantams each spoke about their team's accomplishments during the past season and presented individual trophies to the deserving players.

SHAVER

Jeff Anderson won the Calahoo Oldtimers trophy for the team's most improved player with coach Kenny Coyes presenting it.

MITES

Dean MacDonald took home the Calahoo Sheet Metal trophy as the team's most valuable player with sponsor Tom Fowler presenting it. Brent Caton was the team's most improved player and accepted the C & P Merchant's trophy from Pana Patrick.

The most sportsmanlike player was Trevor Zoschke and coach Wilf Berube presented the trophy that he made.

PEEWEE

The Calahoo Sheet Metal trophy was presented by Tom Fowler to Troy Zoschke for being named the team's most valuable player. Robbie Christian received the Calahoo Service trophy from sponsor Fred Cusman as the team's most improved player. Bernie O'Neil presented the Erin Insulator's trophy to Dean Derksen as the team's most gentlemanly player.

BANTAM

Grant Berube won the Calahoo Sheet Metal trophy as the team's most valuable player and received the award from Tom Fowler. Bronco Letendre accepted

the Bar B-7 trophy from Ann Berube as the team's most improved player. Tom Fowler Jr. won the most gentlemanly award and received the Henry Norris Memorial Trophy from Mr. Frank Norris.

The Calahoo minor goaltender of the season award went to Larnie Coutre of the mites.

Cliff Fowler received a plaque from Wilf Berube for his work in refereeing in all minor leagues and received a good round of applause for his contribution to minor hockey.

The fan of the year award went to Arvila Majeau and it was presented by Cliff Fowler.

Wilf Berube was named

the minor league coach of the year and his plaque was presented by Larry Mitchell.

The arena hall now has a fine trophy case which was built and donated by Wilf Berube, and it's a thing of beauty.

The whole evening was expertly arranged by Sharon Zoschke and Dianne Fowler and the trophy display was most impressive.

Recreation News

Submitted by St. Albert
Recreation & Cultural
Services Department

SHAPE UP ST. ALBERT

The department is offering a Businessmen's and Women's Fitness program commencing May 3. It will be held in the Arena between the hours of noon to 1:30 p.m. every Tuesday and Thursday. It is a drop-in arrangement whereby you do not have to attend for the full hour and a half. Shower facilities are available at the Arena. If you are interested in joining send to the Recreation and Cultural Services department at city hall your name, address, phone number and fee of \$15 for the eight week program.

21ST CENTURY CAMPING

A one-day workshop will be held April 30 at the Akinsdale Clubhouse from 10 a.m. to 4 p.m. with a one-hour lunch break. This workshop is designed to help you cope with the changes that have occurred in the last two decades in camping techniques. Due to government regulations, many wilderness techniques are no longer feasible. The fee is \$5 per person and is payable to the City of St. Albert and may be sent along with your name, address and phone number, and program you are interested in to the Recreation and Cultural Services Dept., City Hall.

PHOTOGRAPHY WORKSHOP

A photography workshop will be held all day Sunday, June 5th.

The session will begin at the Grandin Clubhouse at 9 a.m. where a discussion will be held re the proper handling of your camera, shutter speeds, focusing, film to use, composition etc.

The same day a field trip is also planned within a 15 mile radius of St. Albert. so

Gym Club does well at meet

In its first year of competition in the Alberta Gymnasts' Federation, the St. Albert Gymnastics Club has done itself proud. The club competed recently in the Northern Zone Provincials against all clubs north of Red Deer and turned in a creditable performance.

Five girls from the city entered the competition. They were Susan Clarke, in the midget or under 10 year old class; Shannon Wilson and Terry Reid in the Argo class for under 12 years old; and Christine Speake and Eva Kubac in the Tyro class for those under 14.

The girls competed in floor exercises, the balance beam, the uneven bars and in vaulting.

Susan Clarke particularly distinguished herself coming

participants should bring along a picnic lunch.

The fee for this workshop is \$5 for adults and \$2.50 for children. This well planned workshop would be of great interest to the avid shutterbug and in good time for lots of summer filming.

You may register by submitting your name, address, phone number and program name to the Recreation and Cultural Services Dept., City Hall.

10th overall in the competition. Susan has spent a mere four months in gymnastics, and so her performance is noteworthy.

The club is going to Grande Prairie on May 7th for a meet, and at the end of May, they will hold tryouts for their competitive team in the fall.

The club meets at Lorne Akins School on Mondays, Tuesdays, Thursdays and Saturdays. Classes at the moment are filled, but new ones will be formed in September. Two hundred boys and girls participate at present.

Anyone wishing information about the club may call Carlene Lewall at 458-3634.

Midget Baseball off to early start

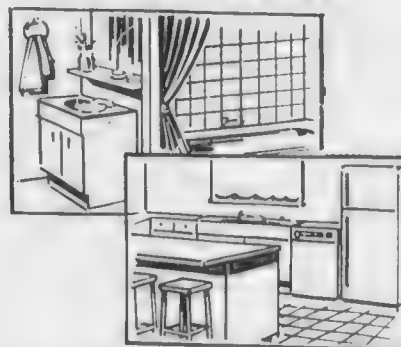

Prospects look good for another exciting year for St. Albert's local midget team sponsored by Willowbrook Homes Ltd. Ben Tooth is back once again as manager and Frank Galbraith, Tom Parayko, and Arnold Bailey will assist in the team operation this season.

Plans presently underway for a four or five team league involving Stony Plain, Spruce Grove, Busby and possibly Fort Saskatchewan. The local team have been practising at Mission diamond, and will open their season on Saturday, April 30 with an exhibition game against the Spruce Grove Mets.

This year's team will be somewhat younger than last year, but indications are there will be more depth, which is a result of larger registration and a generally higher interest.

There are however, a couple of good positions available yet on the team. Next practise is scheduled for Wednesday at 6:00.

Sabres are champions in Toyota tournament

St. Albert K of C Sabres representing Kingsway Toyota won the Toyota bantam hockey tournament this past weekend in Medicine Hat. The event is designated as "the tournament of champions" and involved eight clubs from Edmonton, Medicine Hat, Swift Current, Saskatchewan, Calgary, Grande Prairie, Red Deer and Leduc.

St. Albert, entered in the very strong Corolla division, eliminated Swift Current, Red Deer and Calgary in advancing to the final.

St. Albert 3 - Swift Current 3

The Sabres got off to a slow start in their opening game and pulled together in the third period to notch the tie with less than two minutes remaining in the third period.

Troy Murray opened the scoring at 10:13 of the first period with Keith Heyburn and Ken Myck assisting. Swift Current responded 11 seconds later to tie the game 1-1. In a slow second period Swift Current scored the lone goal to take a 2-1 lead.

Head coach Chabot gave an excellent pep talk between periods and the Sabres came out flying and pounded the Swift Current net with shots. Team captain Troy Murray fired in his second of the game with hardworking Ken Myck and Sonny Gramlich gaining assists. Swift Current picked up a third goal at 11:16 of the third period. St. Albert did everything but score until finally Ken Myck rapped in the tying goal at 18:23 of the third period with Troy Murray and Sonny Gramlich setting up the play.

St. Albert 9 - Red Deer 3

A high spirited St. Albert club took to the ice and won the first period 3-2. Ken Myck hammered in a hat trick in the first period with Murray and Sabourin assisting on the first, Gramlich and Heyburn on his second, and Murray and Gramlich setting up Myck's third goal.

Keith Heyburn scored the first of two goals with Shane Antoniuk and Dave Muskens setting up his first goal. Shane Antoniuk roared right back and scored from Heyburn and Ross McRae to give the Sabres a 5-2 second period score.

In the third period Troy Murray went on a scoring rampage netting one unassisted, another from speedy Shane Antoniuk and rounded out his hat trick with Ken Myck and Sonny Gramlich assisting. Keith Heyburn rounded out the scoring on a beautiful goal set up by Shane Antoniuk and Ross McRae.

St. Albert 3 - Calgary 3

The pressure was on both clubs in this game as Calgary had to win and the Sabres needed at least a tie in order to advance to the championship final.

In the first period St. Albert outplayed Calgary.

However the period remained scoreless.

Finally St. Albert got a beautiful goal from Keith Heyburn at 5:22 of the second period with Shane

Antoniuk assisting. Two minutes later Ken Myck pumped in St. Albert's second goal with Sonny Gramlich assisting. The second period ended 2-0.

The Sabres couldn't stay out of the penalty box and Calgary hammered 30 shots at goaltender Ben Chabot in the third period. Calgary managed two powerplay goals and with less than three minutes remaining the Bruins snuck one by Chabot to tie it up with the Sabres playing shorthanded once again.

Ben Chabot held off Calgary as they continued to press for the win but Chabot closed the doors and held them for the tie. St. Albert now advanced to the championship final.

St. Albert 5 - Edmonton 3

From the opening face-off until the final buzzer this game provided true championship bantam hockey. Edmonton was favoured to win as they were rated the best bantam team in Alberta.

St. Albert fired 45 shots to Edmonton's 38 and the Sabres took 12 of 29 penalties. The highlight of the tournament was a penalty shot awarded to Edmonton at 14:38 of the third period with St. Albert leading 4-2. Sabres goalie, Ben Chabot, forced Edmonton's Repka to try a deke which Chabot stopped superbly.

Star forward Troy Murray opened the scoring at 6:38 of the second period with Ken Myck and Dave Muskens assisting. Keith Heyburn

scored at 11:23 of the second period on a play set up by Ken Myck. Edmonton scored a powerplay goal late in the second period.

Troy Murray scored in the first minute of the third period and the Sabres continued working as Sonny Gramlich scored a beautiful goal giving St. Albert a comfortable 4-1 lead. Once again it was Ken Myck setting up the play and

defenseman Dennis Sabourin also picked up an assist.

Edmonton stormed back and scored their second goal with six minutes remaining. Following this Edmonton was awarded the penalty shot.

With two minutes remaining Gary Kunz broke in on net and waited for the goalie to commit himself then fired the puck home to put the game on ice for St. Albert.

Ben Chabot was selected unanimously as the final games most valuable player,

chosen by all Toyota representatives.

Winning this tournament was a total team effort with everyone putting all they had into it. The Sabres had an excellent year playing over 80 games with an amazing record of only 14 losses.

Morinville Memos

By Marg Bentz

Registration for the Rifle Club will be held tonight, April 20, at 7 p.m., in the range upstairs in the arena.

Blood Donor Clinic, which is being sponsored by the MFC, will be held this year on Wednesday, May 4, from 7-9 p.m., at the Morinville Recreation Centre. Eighty-five people attended last year and it is hoped 100 will contribute their blood this year. Persons wishing to donate their blood must be over 18 years of age with no

serious diseases such as T.B. or jaundice. They must also not be on any medication.

Neighborhood Watch meeting will be held at the Morinville Legion on Wednesday, April 27 at 8 p.m.

TEENDANCE

Come on out and boogie to the great sounds of the Karroll Brothers! They'll be at the Morinville Rec. Centre from 9 p.m. - 1 a.m., on April 22. Admission is \$3.00. Don't miss it!

While John and Lennie Bokenfohr were on a deluxe holiday tour of California, an unfortunate fire occurred in their home here in Morinville. It will be two months before the Bokenfohrs are able to occupy it again. John and Lennie would like to take this opportunity to thank everyone who helped out during their misfortune.

Legion Zone Rally will be held at Edson on April 30. Members and wives who wish to attend can notify

Cam Dubord at 939-4108.

If you need help with spring cleaning indoors or out - call 939-4285 days or 939-2407 evenings. Six girls available. (Vanier Cheerleaders).

Morinville Motors Senior Hockey Club will be holding a wind-up banquet and dance on Friday, April 29, at the Rec. Centre. Tickets are \$8 per person and are available from senior hockey players or Morinville Sporting Goods.

Coaches are still needed for some girls and boys baseball teams. If no coaches come forward, some of our children will be unable to play. Anyone willing to help coach, please phone Norm Hooper at 939-4603 or Christine Vranas at 939-2375.

Any ladies over 18, interested in playing softball can contact Christine Vranas at 939-2375, as some neighboring towns are also starting a fun team to play exhibition games.

On Sunday, April 17, the Knights of Columbus held a breakfast for members and their families. Over 100 people enjoyed the meal. Guest speaker was Len Souliere, master of the fourth degree in Alberta.

One blue hairbrush was left at the arena after the carnival on Sunday, April 17. Phone Jean Robinson at 939-4153.

The annual Shaver B and Mother's game was held on April 16, with the Shaver B's outscoring the Mothers 7-4. Goal scorers for the Mothers were Yvonne "Rocket" Lissack two, Valerie "Speedy" Wood one and Della "Hotlips" Royan. Lil "Powerhouse" Boddez played an outstanding game in goal with able assistance from Eva Coulombe, Sharon Barker, Anna Milner, Lorraine Bijou, Penny Shelly, Dianne Tellier, Denise Touchette, Mary Tieland and Louise Button. Coaches Eleanor Wood, Marilyn Button and Rita Milande noticed a certain prejudice on behalf of the referee Pat Hudson, particularly after the game when several of the Shaver B team gave him gifts of bubble gum and penny suckers. Goal scorers for the

Shavers were Murray Bokenfohr two, Brad Boddez two, Cary Royan one, Rory Lunger one and Terry Barker, one.

A special thank you is extended to the team sponsors: Nick's Auto Body, Morinville Hotel, Shell Farm Supply, and Sterling TV, for the team sweaters.

Mite B tripped their fathers 5-4, Sunday afternoon following the Ice Carnival in a zanny contest that saw the wily fathers bend many rules (and get many penalties) as they strove to overcome their handicap of having their skates rustled sometime before game time, rumor has it management of the Bs may have inspired the plot. A good time was had by all as the ice plant was shut down for the season.

Morinville Minor Hockey banquet

By Marg Bentz

Morinville had their annual minor hockey banquet last Thursday, April 14 and judging by the mountain of meatballs the massed assembly downed and the pile of silverware they passed out it was a very big success. Bob Arnold our resident D.J., acted as master of ceremonies and joining him at the head table were his wife Annette, Maurice Van Brabant (sports committee chairman) and his wife Evelyn, Doug Messier, Dave and Elaine Kryskow, Larry Kirkpatrick (director Sturgeon Regional Recreation Council) and escort Debbie Lester. Father Primeau blessed the dinner, which was served by the mothers and sisters of the hockey players. Trophies were awarded afterwards.

Doug Messier spoke on the importance and community benefits of Junior Hockey, he hopes to be instrumental in bringing to St. Albert and the Sturgeon MD. Doug Ramer explained the origins of the Dave Kryskow Trophy and Dave Kryskow personally presented each winner with one.

Coach Jim Wood and assistants Carl Royan and Ken Lissack presented trophies to all their players for a well done season in the Shaver B category.

Coach O'Neil Chevalier and assistant Paul Froment awarded team trophies to their players in the Shaver A category.

Mite B coach Maryanne Enright and her assistant Walter Enright awarded the Dave Kryskow trophy to Jay Enright, the most improved player to Gerald Lalonde; special Merit Award to Casey Bentz, Rookie of the Year to Shane Milner and best sportsman to Adam Domino. Mite A coach Frank Vollmer named Raymond Meunier for the Dave Kryskow Trophy, most valuable player to Neil Bokenfohr and most improved to Andy Hittinger while Ron St. Laurent presented the remaining team members with momentos.

Peeewe B coach Walter Hoffman and assistant Ken Skjersven named Keith Streeter for the Dave Kryskow Trophy, Murray Johnson for the most valuable player and Robbie Hoffman best defense.

Peeewe A coach Claude Riopel and assistant Leon Boissonnault handed out team trophies to each player. Bantam B coach Maurice

Riopel named Robert Clark for the Dave Kryskow Trophy, most improved player to Leo Ricard and most gentlemanly player to Ian Streeter.

Bantam A coach Cec Noyes presented all the players with trophies.

Midget B Dave Kryskow Trophy winner was Don Kieser, most improved player was Phil Van Brabant and Rookie of the year went to Randy Clark.

Midget A coach Terry Maslyk named Maurie Hooper for the Dave Kryskow Trophy, Kevin Hittinger the best sportsman and top scorer to Dave Noyes.

Juvenile coach Ernie Bris-

son presented Ron Manasterki the Dave Kryskow Trophy, awarded the top scorer to Frank Schaffer, best sportsman to Salim Butt and Rookie of the Year to Don Bouvier.

The captains of their respective teams presented memorial trophies to their coaches and assistant coaches.

May we take this time to congratulate all who have earned the esteem of their fellows as is expressed by the awarding of trophies and awards, may we also thank those legions of volunteers who make minor hockey possible.

Dave Kryskow presents Ian Streeter with the Dave Kryskow trophy for most gentlemanly player at the annual Morinville Minor Hockey banquet held April 14.

PUBLIC NOTICE

BY-LAW NO. 4 - 77 THE SCHOOL ACT 1970 (SECTION 7)

By the Board of Trustees of the Sturgeon School Division No. 24 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the Sturgeon School Division No. 24 of the Province of Alberta that an additional sum of one hundred and five thousand dollars (\$105,000) should be borrowed on the security of the said School Division by the issue of Debentures repayable to the bearer in Twenty-five (25) consecutive annual instalments with interest at the rate of not more than Twelve per centum (12%) per annum for the purpose of completing and undertaking:

- Purchasing a site.
- Erecting a precast concrete single story Composite High School which shall include 9 general classrooms, 4 science experience classrooms, 4 ancillary classrooms, a library, an industrial arts laboratory, a home economics laboratory, a two station gymnasium, a stage-ancillary area, shower and dressing rooms, a manual typing classroom, an electrical typing and steno classroom, an office practice and business machines classroom, a merchandising classroom, an automotive shop, a building construction shop, a welding shop, a drafting classroom, a beauty culture laboratory, a cafeteria-ancillary area including a kitchen plus an administration suite consisting of a principal's office, 2 vice-principals' offices, 3 counselling rooms, a general office area and an administration conference room; plus a staff centre consisting of a staff common room and a staff work room plus a two-station infirmary plus such other non-instructional areas that are necessary to provide a functional education unit.
- Providing a water supply line, a water storage cistern and a sewage lagoon.
- Site development.
- Purchasing furniture and equipment.

at Namao in the Province of Alberta. THIS BYLAW REPLACES BYLAW NO. 4-76 WHICH WAS PASSED THE 5th DAY OF NOVEMBER, 1976.

THEREFORE, Notice is hereby given by the Board of the said School Division that unless poll of the electors of the said School Division for and against the said debenture loan is demanded, as provided by Section 104 of The School Act 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Dated at Morinville this 14th day of April, 1977.

CHAIRMAN - LOIS HOLE

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BYLAW IN A SCHOOL DIVISION - [SECTION 2 (e) 3 and 104 - THE SCHOOL ACT, 1970]

"Elector" for the purposes of petitioning for a vote on a debenture bylaw means a person:

- 18 years of age or older;
- who is a Canadian citizen or British Subject, and
- resident, in the case of a petition, in the district of division in which the petition is to be presented on the day upon which he signed the petition, and who has been a resident of Alberta for the six consecutive months immediately preceding nomination day or the day upon which he signed the petition, as the case may be.

A poll respecting the aforementioned borrowing may be demanded in a School Division by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Section 2 (e), 3 and 104 of The School Act, 1970.

The petition must be signed by at least

- 2 per cent of the electors in a district or division having 10,000 electors or more, or
- 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
- 15 per cent of the electors in a district or division having less than 500 electors

and be filed with the Board within 15 days of the last publication in a newspaper of the Public Notice of the proposed debenture borrowing.

Morinville sports

By Marg Bentz

Morinville Juvenile hockey team wound up their season in fine style after languishing most of the year in the agony of defeat. The Morinville boys played like champions and came within a hair of winning their league tournament; rolling over Athabasca 7-1, dropping "League Champs" Gibbons 7-5 and Redwater 8-5 to earn an appearance in the final against St. Albert who beat the locals 5-2 Saturday afternoon.

Morinville's Ken Biddiscombe won the "Ness-Reimer Memorial Trophy" which is to be awarded each year to the most valuable player in the league tournament. Ken scored two goals in the first game, one and two assists in the second and four in the third enroute to picking up the silverware.

The surprising Juveniles jumped to an early lead against Athabasca pulling in three goals in each of the first two frames then trading singles in the third; Ken Biddiscombe picked up two goals while Salime Butt, Bob Boissonnault, Frank Schaffers, Wayne Hesse and M. Hooper fired singles. Their second game against league champions Gibbons was never in doubt as Morinville led 3-1, 6-2 and of course 7-5 (period scores). Bob Boissonnault and Don Boivier earned pairs while Maurice Hooper, Salime Butt and Ken Biddiscombe chipped in singles.

Redwater ended the first period of their game two zip however Morinville came out to play in the second and rifled in four unanswered markers to lead 4-2 after two, then outscored Redwater 4-3 in the third for the victory. Ken Biddiscombe scored four, Neil Hesse, Maurice Hooper, Frank Schaffer, and Rick White potted singles to set the stage for Morinville's final appearance of the tournament against St. Albert.

Morinville's two first period goals both scored by Wayne Hesse and both assisted by Frank Schaffer were only enough for the lead until 9:53 of the second stanza and one minute later St. Albert moved one ahead to lead 3-2 after two, the third period was all St. Albert as they added two more in the tally to clinch the game and the tournament.

Coach Ernie Brisson wishes to thank the fans and organizers for their support and help and would like to congratulate the boys on their season's effort.

LADIES CURLING CLUB

The Ladies Curling Club held their wind-up on April

12. The evening began with a general meeting where the year's activities were reported on and discussed. A committee was formed to draw up a constitution and lay the ground work for a more formal structure for our organization. The present executive agreed to continue on until fall. Presentations were made to several rinks. The main presentation was the club trophy donated by Morinville Mobile Park Ltd. This was won by Jean Beaupre and her rink of Hazel Verynck, Terry Holt and Georgie Davies. The trophy was presented by Ann

Kryskow. The evening ended with fun and nonsense that involved everyone. We had a good curling season this year but we look forward to involving more ladies in next year's schedule.

The club plans to hold a summer bonspiel to be run in conjunction with the Men's summer bonspiel. This is to be a 32 rink, three event bonspiel. It will run three draws an evening on June 16, 20, 21, 22, 23 and the finals will be played Sunday, June 26. Entry fee is \$60 per rink. Mona McKenzie is accepting entries at 939-3009

Morinville Home & School

The Morinville Home and School Association will hold its annual general meeting Tuesday, April 26 at 7:30 p.m. in the Georges P. Vanier High School Gym. This family night "Pioneer Night," has an interesting program with students taking part in poetry, song and skit all relating to the pioneer era. The Vanier High cheerleaders will show that the school spirit of yester years still lives. Experiences of Mr. Billo a student in the early school days of Morinville will be related. The film "The Great Grandmothers" features five interviews with pioneer women as they reminisce about the past. The filming takes place in the Edmonton area, with the dialogue being taken from letters and diaries written before 1916 and is quite humorous. It is 30 minutes in length. Hostess in pioneer dress will provide programs to families at the door, which will contain a brief outline of the History of Thibault R.C.P. School District #35. Interesting displays will be set up such as a gun collection, antique toy collection, fort uniform, and pictures, books etc., relating to the pioneer era. Free ice cream cones for the children and coffee and cookies for

the adults at intermission time. Talk to the president of the Edmonton Area Council of Home and School, Mrs. Carol Borgstrom, who will be present at the Home and School display. Only children with parents in attendance will be admitted. Those wishing to attend in pioneer dress are free to do so.

"PIONEERS ARE PEOPLE WHO OPEN THE WAY FOR OTHERS"

Home and School wishes to salute those who pioneered in schooling in the Morinville district, at this time when the school days of the old Notre Dame Elementary School are drawing to a close. This evening of appreciation the association hopes will perpetuate the Pioneer spirit in facing the future of the New Notre Dame Elementary School. Join an organization with a local first formed in Alberta in the Morinville Home and School Association.

Trophy goes to Meyers rink

By Liz McLeod

Happiness reigned supreme recently in the curling playoffs when the Charlie Meyers Rink won the trophy in what was called the Tuesday Curling in Onoway.

The win was against the Clifford Branting rink, who had only one loss all season.

The foursome was comprised of Charlie Meyers, skip; Vance Berry, third; Gertie Meyers second; and Daphne Kerr, lead.

Luke Majeau was the regular second, but was away on holidays for this momentous occasion.

The wine and cheese party which followed was a pleasant finale to a great winter of curling for this group.

"Colours Unlimited" a great success

By Marg Bantz
On Sunday, April 17, 1977, the Morinville Lions Figure Skating Club proudly presented their ice carnival "Colours Unlimited." Over 80 youngsters put their skills together and thoroughly entertained a near capacity crowd. This event showed the work that had been accomplished by the town's young figure and power skaters.

Out of towners Andy Kilkus from O.K. Radio in Westlock did an excellent job as the show's master of ceremonies. The Morinville Drum and Bugle Band started out the program with O'Canada played by Elaine Chalfoux on the glockenspiel. Roger Blackburn, club president, then opened the carnival.

The Yellow Rose of Texas was the first skating number on the program and this proved to be great entertainment to the youngsters. Performers were Randy Pifko, Danielle Bourgeois, Tammy Santrock, Stephanie Height, Jim Button, Darcy Wood, Colbie Bell, Len Bijou and Shelly Lee.

A solo was then performed by Maureen Krauskopf. Maureen, who is working on her first figure, junior bronze dance represents the junior members of our club.

Five brightly clad young ladies then did a number to "Red Light." Rita Khullar, Tracy Bland, Adele Sylvestre, Andrea Turner and Monique Sylvestre were gaily attired in nice red outfits.

Jocelyn Blackburn then did a solo. Miss Blackburn is working on her third figure, senior silver dances. She was a competitor in the Northern Zone Open Competition at Cold Lake in January.

"Wedding Bell Blues" was then presented by Jacqueline Cormier, Kim Rogers, Lonee Kachman, Debra Noyes and Jeanette Saldern. The girls looked very nice in their white wedding outfits.

A solo number was then performed by guest skater, Deborah Lynn Paul who is Alberta's 1977 senior ladies champion. She was also a competitor in the 1977 Canadian senior ladies competition.

The next number "Little Green Frogs" stole the hearts of young and old alike. The little frogs were: Jan Dubord, Tracy Geoffroy, David Underwood, Sherry Adam, Shauna Benson, Kirsten Wahlfeldt.

Jacqueline Cormier then presented her solo. Gigi is working on her second figure, senior bronze dances. She represents the intermediate level members of our club.

A medley of three dances was performed by members of the club: preliminary - Dutch Waltz, Senior Bronze - Fourteen Step, and Senior Silver - Paso Doble.

After a 20 minute intermission presentations were

made to club instructors: Anne Arnold, Lynne McEla- chern, Vivian Blackburn, Kim Mulligan and Janice Van Brabant. Wayne Van Brabant received his presentation later in the program from the power skaters.

"Blue Hawaii" was then performed by Suzanne Touchette, Karen Ramer, Danielle Arbour, Sherry Wright, Sarah Underwood, Suzie Blouin, Jory Gibeault, Renee Chevalier, Gisele Pomerleau, Jocelyn Sylvestre and Beverly Hamilton.

Lise Houle, who is currently working on her fourth figure, gold dances represented the senior members of the club by her solo performance.

The next number "Purple People Eater" thrilled the audience as a huge purple people eater skated on the ice and proceeded to empty itself of little purple people eaters. Julie Underwood, Sandy Bland, Maureen Krauskopf, Valerie Wood, Jayne Kachman, Susan Pifko, Paige Robinson, Leanne Kryskow.

Shauna Bland, who is working on her third figure, junior silver dances, then did a very entertaining solo. Miss Bland was a competitor in the Northern Zone Sub-sectionals at Whitecourt in November. She also competed in the Cold Lake open competition in January and brought home a gold medal.

"Tie a Yellow Ribbon Round the Old Oak Tree" was then performed by brightly yellow clad little girls holding yellow ribbons. These heart stealers were Monique Dubord, Kathy Tally, Laurel Robinson, Tammy Casavant, Shauna McPherson, Stacy Noyes, Trina Vollmer, Wendy Bijou, Connie Weisgerber and Lenell Kachman.

A solo was then performed by Cynthia Robinson who is currently working on her fifth figure, gold dances. She competed in the Northern Zone Sub-sectionals at Whitecourt in November and also at the Cold Lake open competition in January, earning a gold medal.

Pretty pink girls carrying "Lollipops and Roses" skated to music of that name. These little ladies were: Maxine Bland, Louise But-

ton, Celine Casavant, Michelle Height, Teresa Harrison, Larena Badry, Michelle Milande, Lisa Thomas, Julie Lester, Lara Domino and Laurie Pifko.

Beginners to senior power skaters then gave a demonstration of their skills: Blair Coulombe, Serge Froment,

Ron Pifko, Kirk Lester, Dwight Van Brabant, Todd Bland, Shane Milner, Rod Bland, Dan Robinson.

Four young ladies then did a lively number to "Pink Panther." These bright pink creatures were Lise Houle, Jocelyn Blackburn, Cynthia Robinson and Shauna Bland.

All the members then skated out for the grand finale. A thoroughly enjoyable afternoon was had by all and many thanks are extended to the skaters, instructors, Morinville Drum and Bugle Band, the Lions Club and the parents, who all made it possible.

Namoo News

By Norma Crozier

Namoo Happiette Club are hosting an evening with Alex and Colleen Thomson in the Community Hall on Tuesday, April 26 at 7:30 p.m. Alex and Colleen will show slides and talk on their 14 month tour around the world. Coffee will be served by the Happiette Club. Everyone is invited to attend.

The West Yellowhead Apaloosa Club is holding an "Evening in Hawaii" on Saturday, April 30 in the Namoo school gymnasium. The evening will include dinner, dancing and live Hawaiian entertainment. Tickets are available from Doreen Pearce 479-2324 or Evelyn Griffith 973-3811.

Namoo UCW held their spring luncheon in the hall on April 13 with a good attendance of ladies from the district. The delicious lunch was co-hosted by Mrs. Betty Samis and Mrs. Daisy Craig. Miss Betty Wallace, an exchange student to Korea was a most interesting speaker. She brought many Korean articles to display, besides her pictures and slides of this very different culture. President Mrs. Shirley Ward thanked Betty for coming and sharing her experiences with us.

Namoo 60 Plus Senior Citizens Club met at the Namoo Hall on April 7 with 19 members present. Mrs. Daisy Craig led the exercises for the first half hour after which a short business session was held. Mr. Charlie Horricks and Mr. Bruce Porter are selling tickets for the barbecue at the Red Barn on June 1st. All tickets must be purchased or spoken for by May 1st.

Mrs. Daisy Craig, pre-

sident mentioned the senior citizens courses at the university in May, and has information available for anyone interested. Mr. Bruce Porter reported on his attendance at the Recreation meeting and the grant situation was discussed. A decision must be reached at the next meeting on April 21. Everyone then enjoyed playing cards.

Daffodils centered the buffet table and hot cross buns were featured in the lunch served by Mrs. Alice Kreller and Mr. Archie Junkin.

Jack and Hazel Martin had as their guests niece, Mrs. Donna Fraser and daughters Debbie and Julie while her husband, Errol was on a business trip to Vancouver.

They have just returned from Johannesburg, South Africa, to make their home in Canada again after being away for three years.

Welcome home to Mrs. Katie Davis who enjoyed a visit with her son Len and his wife Mary, at Kelowna, B.C.

Namoo girls Heidi McDonnell and Laurie Jefferey enjoyed a spring break vacation in Italy with students from M. E. Lazerte High School who were accompanied by three of their teachers. They toured Italy extensively visiting the Leaning Tower of Pisa, the Coliseum and St. Peter's Basilica, rode in a Gondola in Venice and learned a great deal about the Italian culture and people.

Camilla 4H Clothing Club News

By Sharon Bokenfohr

On March 14, our club held annual 4H public speaking competitions. In the junior section Pam Brenneis placed first and Linda Soetaert came in second. Kim Borle placed first and Sheryl Soetaert took second in the senior section. Pam, then placed second in the Sturgeon speak-offs at Namoo on March 16. Since Ruth Buchanan from the Gibbons Light Horse Club, who placed first is unable to speak at the Regionals, Pam will be representing Sturgeon. The Regional speak-offs will be held in Calmar.

I would like to extend a special thank you to Miss Colleen Harkin, Mr. Jim Ganton and Mr. Gary Webster who were our judges for the evening.

Our final achievement day was held on Wednesday, March 30. The evening's activities consisted mainly of several plays and a fashion show, presented by each group.

This year was very successful and we had 27 perfect attendance records. The member chosen to go to club week were Sheryl Soetaert and alternate Mari Nakamura.

Delores Sheehan and Shelley Perrott were the lucky 10 and 11 year old girls

chosen to attend camp Mackinicholia. If one of these girls is unable to go, Sheila Boddez will go instead.

For the 12 and 13 year old group attending this camp, Pam Brenneis was chosen, with Tracy Kluthe as the alternate.

The Book Award for the first year members, was won by Joanne Borle. There was a tie for second, which went to Shelley Perrott and Delores Sheehan.

Anne Boddez won Miss Congeniality and Sheryl Soetaert was chosen for the general proficiency award.

I would like to thank our three judges, Mrs. Norma Clark, Mrs. Mary Stanton and Mrs. Lois Folkens for coming out to our achievement day.

A special thanks to all those people who helped with our 4H Club and those who made these two events possible.

On behalf of our club I would also like to thank our unit leaders, Mrs. Phyl Borle, Mrs. Edna Borle, Mrs. Thelma Sheehan, and Mrs. Vera Brenneis. Mrs. Lollie Brenneis also gives many hours of her time to help us. Our club leader, Mrs. Grace Brenneis has put a lot of work into making this a most successful year for our club.

Gibbons News

By Karen Hogg

The Gibbons First annual Fireman's Ball proved to be a big success on Saturday evening. There was a full attendance from the Gibbons community. Mr. Clem Lamoureux the Gibbons fire chief said a few words and then introduced each of the firemen. A lovely lunch was also served.

from our senior citizens with proceeds going towards helping to furnish the main lobby of the senior citizens home.

Welcome home to Tom and Olive Coley who have been home for a month from their winter retreat in Phoenix.

Ron, Lynn and Rhonda Coley were in Saskatchewan over the Easter weekend attending the funeral of Lynn's uncle and then going to spend three days with Willy and Karen Williamson and kids. They had a very nice visit and Ron reports that everyone was doing just fine.

Bea Schwanke would like to report who won the Perryvale Women's Club

raffle held on March 25 for all the people who bought tickets. First prize of a quilt - Vern Berry, Edmonton; Second prize tea pot and cozy - Lori Shapland, Edmonton; third prize - pillow slips, dresser scarf - Eric Brown, Meanook, Alberta.

CORONADO WINS TOURNAMENT

The Coronado Cougars won the Gibbons Indian tournament on Saturday night beating the Indians with a score of 3-2 in overtime. They were awarded the Gibbons Hotel Trophy which was donated to the Gibbons Indians three years ago. Bon Accord won the first year, Gibbons the second year.

Eileen Pelletier and the Agricultural Society would like to thank everyone who so generously donated time working behind the concession this year.

The ice was taken out of the Arena for this year last Sunday. Be sure to mark your calendar for the Agri Fair and watch for future events which will be taking place in the arena.

SENIORS PLAN DANCE AT RED BARN

Members of the Gibbons Seniors Club, the Last Round-up are reminded about the barbecue and dance on June 1 at the Red Barn. Any person 60 plus and resident within the MD of Sturgeon are eligible to attend. Tickets are \$4.25 each and April 29 is the deadline for purchasing them. In Gibbons and district contacts are Emily Oliver 923-2370 or Sheila Crosbie 923-2446.

A regular meeting was held on April 14. Earl Toane showed slides taken on a trip he and Jean took earlier this year. Some places shown were Toronto, parts of the Maritimes and England. The pictures were excellent and Earl made it more interesting with his comments, not only about the location of the pictures but many side notes, historic, etc.

Charlotte St. Germain from Sturgeon Recreation paid her first visit to our club and talked to the members for a few minutes. We found her very friendly.

There was a business meeting held. 4H members answered roll call including one new - Mrs. Hazel Hancock.

Emily mentioned about the A.C.A. application forms. Sheila still has a number of

these. Should any members be interested they may contact her at 5028 - 48 Street or phone 923-2446.

As we have now received our "New Horizons" grant, Sheila advised members that she and Emily Oliver had been to the bank and set up a separate account for this as requested. The two former accounts have now been combined. Co-signers are

Emily Oliver and Sheila Crosbie with Dan Bevington as alternate.

We are hoping soon to have a "memorial plaque" to record the names of members who have passed on.

There was a letter from the Ag. Board - Ag. Fair '77 is to be held June 11 and 12 at the Arena. There was also a request for members to participate in a "Variety

Night" to be held in May by the Community Centre.

A number of members showed interest in selling tickets on a quilt which the Sunday School Circle are going to raffle.

A lovely lunch was served by Emily Oliver, Yvonne Pedersen and Clara Williams. Thank you, ladies. Next meeting is April 28.

Gibbons Juveniles win league championship

By Ron Coley

Well Gibbons hockey fans hockey is over for another year with the Gibbons Parkland Juveniles defeating St. Albert in the best of three final, two straight.

On Monday, April 11 in Gibbons they won 5-4 in the second overtime period on a beautiful play by Doug Pelletier, scoring the winning goal. Then on Tuesday, April 12 in Morinville the boys came back and won the second game again 5-4 in the

first overtime period with 1:37 left to play. Doug Pelletier again scored the winning goal. So you might say Doug Pelletier is the hero getting both winning goals to win the championship.

The boys finished on top in the Northern Alberta Rural Hockey League this year with a record of 14 wins, 1 loss and 3 ties. Goalie Joe McDonald had the best goals against average in the league, 3.33.

For you new Gibbons

residents this is the first year Gibbons has ever had a juvenile hockey team. A big thank you has to go out to Mr. Ray Fredrickson, of Parkland Building Supplies who sponsored the team in their first year of operation. Also thanks to coaches Bill McEwen and Lloyd Christie, manager Roger Pelletier and also Bill Mabbitt for all his help in coaching and getting things going along with Roger and myself.

Gibbons Bantams win tournament

By Norman Epp

On April 9, Gibbons hosted a seven game bantam hockey tournament. The five competing teams were: St. Albert Innkeepers, St. Albert Sails, Kilkenny, Tofield and Gibbons.

The first game saw the Innkeepers defeat Kilkenny 9 to 6. The second game was won by the Sails 8 to 2 over Gibbons. The third game was a battle right to the final whistle, with the Innkeepers winning 4 to 3 over Tofield. In the fourth game it was Kilkenny over Tofield 3 to 0, the fifth game Sails 9, Innkeepers 5, and in the sixth game Gibbons defeated Kilkenny 6 to 3.

In the final game, Gibbons overcame a 4 to 0 deficit, to tie the Sails in the last 34 seconds of regulation time, and then went on to win 6 to 5 in the sudden death overtime period.

The hosts would like to thank all the teams for participating and giving their best effort to provide some real fine hockey. This concludes a successful season for the Gibbons Bantams, with a record of 25 wins, 10 losses and 2 ties, over the

year. A special thanks to all the parents and friends who

gave their sincere support to the team during the season.

Villeneuve Seniors hold hockey wind-up

Presently the Villeneuve Seniors Hockey Club held their year-end banquet and dance in the Villeneuve Hall. A delicious supper was served by Trio Catering.

After supper presentations and speeches were made with Victor A. Soetaert acting as master of ceremonies. Phillip Soetaert thanked the sponsors; Case Power and Sturgeon Valley Fertilizer, Pat Sheehan on behalf of Case and Roger Henry for the fertilizer company capably replied and presented souvenir tokens to the players. Wally Hartfelder, elevator agent, presented "U.G.G." souvenirs.

Goalie, George Bonneville thanked manager Emile Soetaert for his work. Raymond Soetaert had a big thank you for timekeeper Darryl England. Lorne Klak acknowledged Gerald Soetaert on behalf of the club for all the

time and effort he puts into running our club. Cy Klassen had words of praise for coach Noel Meunier after which he received a standing ovation and then ably replied.

A draw was held for the raffle which the club sold tickets on. Mrs. Betty Kuhn was the winner of the 8 track component set; Mrs. Ron Scattery the ski-doo suit, and Victor A. Soetaert the ski-doo helmet and visor.

A highlight of the evening was the presentation of the Dennis Soetaert Memorial Trophy for the most valuable player with least recognition. Last year's recipient Richard Soetaert presented it to proud winner Raymond Soetaert.

Later everyone enjoyed themselves dancing to the Starlite and Satellite bands.

The club thanks all fans for their support.

Bon Accord News

By Sadie Allen

Marion Nicholson's dancing class will hold a tap and jazz recital at the Bon Accord School on April 29 at 7:30 p.m. Refreshments will be served. Prospect-pupils are invited to attend but must be accompanied by a parent.

The Golden Gems senior citizen's club held a most successful and enjoyable pot luck supper and bingo in the Bon Accord Community Centre on April 13. A very special thank you is extended to seniors from Morinville, Gibbons, Legal and Namao who patronized the affair.

A next-to-new shop has

been set up in the balcony of the Community Centre by the Golden Gems and will be open on Thursday, April 21 from 2 - 4 in the afternoon and 7 - 9 in the evening, again on Friday from 10 - 12 a.m. and 2 - 4 p.m. and on Saturday from 10 a.m. to 4 p.m. The book exchange will be open on the three days. There are many brand new articles of clothing and a good assortment of good, used clothing, shoes etc. with a very good supply of children's clothing available.

PAPER DRIVE SUPPORTS SENIORS CENTRE

A special note to residents

of Roseglen -- Bill Hill has volunteered to pick up papers from that area once a month for delivery to the paper salvage depot. Residents of the village and district are reminded of the depot at Hugh Allen's and are asked to save all papers, making sure that newspapers are tied securely and separately. Magazines, catalogues, etc. may be put in paper bags or boxes. All proceeds from these enterprises will go toward the senior citizens centre which will get underway this summer.

Congratulations are extended to Jean Chubb, a member of the local art club,

who was awarded a \$100 scholarship by the Faculty of Extension, U of A at the annual meeting of the Alberta Community Art Clubs' Association held Saturday, April 16.

Congratulations and best wishes are extended to Mrs. Ella Plumbtree on the occasion of her 77th birthday on April 20.

There will be a disco for the young fry on Friday, April 22 at the Community Centre, starting at 8 p.m.

Anyone interested in renting a table for a plant and/or miscellaneous sale at a Market Day to be held in May, please contact Pat Reichle, 921-3535.

The Ag. Society are sponsoring a supper and dance on April 30 in the Cave, Bon Accord arena, with music by the Golden Altos. The supper will feature pyroghies and sour cream, cabbage rolls, ham sausage, dills, salad and coffee. Tickets are \$12 per couple and are available from Ag. Society directors and Pauline Mansfield. Cocktails will be served at 7, supper at 8 and dancing will commence at 9. Coffee and squares will be served at midnight.

Brownies enjoying a camp out over the weekend at Sandy Beach with 27 girls attending. Thanks to club leaders, Cathie Meyer and Maureen New and parents Joanne Long, Irene Stolarchuk and Nigel Mansfield for

their help.

Anglican Church Women's group will meet at the home of Nell Schneider on Wednesday, April 27 at 8 p.m. Anyone interested is cordially invited to attend.

A reminder -- A Roman Catholic Liturgy Seminar will be held in the Legion Hut at Gibbons from 10 a.m. to 4:30 on Saturday, April 23. For information, contact John Pasemko.

The 1st of May has been set aside as a great day of Thanksgiving by the Edmonton Diocese of the Anglican Church and all members of

the church are invited to take part in a great Diocesan Thanksgiving Eucharist in the Jubilee Auditorium at 11 a.m. There will be no services held elsewhere throughout the diocese.

The bingo jackpot is now \$325 in 55 numbers. Winner of the consolation was Calvin Williams and the bonanza was shared by Mrs. Sirotski of Egremont and Mrs. Jean Jensen of Bon Accord. The bingos are now being run by the Community Centre Board. Anyone willing to help should contact a board member or just sign your name to the lists displayed around town.

Bon Accord gets fire engine

The Bon Accord Village Council has purchased its first fire engine. A Mack 1962 Custom Pumper Truck was acquired March 29 as a result of a successful bid to the City of Edmonton. The engine will be delivered by the end of the month and

training of a fire crew will start soon after. Anyone interested in signing up for the Bon Accord volunteer fire department may pick up an application form at the office.

By the time this news is printed it is expected that Bylaws #90 and 91 will have

been passed by council, setting residential water rates at \$6 per month and sewer rates at \$5 per month, effective May 1st. Commercial and Institutional rates will also be raised proportionately. Further details of these bylaws will be made public at a later date.

TREE PLANTING PROGRAM

A tree planting program to beautify residential areas of the Village will get underway under the direction of Councillor George Grainer, this spring.

Residents whose streets are scheduled for attention this year have been advised of the program and given the opportunity to refuse a tree in front of their residence if this is their preference. It is hoped, however, that residents will co-operate in this program and assist with the actual tree planting where possible.

This may be an opportune time to advise residents that the office staff often receive compliments on the attractiveness and tidiness of Bon Accord and we feel this sort of information should be passed along. When Mr. Peter Elzinga paid a visit to the office during Easter week he made reference to this same subject. He also admired the new building. So keep it up residents, your efforts count!

Bon Accord Art Club ready for show!

Members of the Bon Accord Art Club have been busy preparing their paintings for entry into the North Regional Art Show at St. Paul, April 28 - May 1st. Each member may submit three pieces of work and a total of 15 paintings have been entered so far.

Local residents who are interested in visiting St. Paul to see the juried art show and other exhibits including various crafts, pottery and photography, are advised to go on Saturday,

April 30, 10 to noon, 1 p.m. to 5 p.m., or 7 p.m. to 9 p.m., or on Sunday, May 1st, 1 - 4 p.m. The displays will be at the Visual Arts Centre south of the Recreation Centre.

Four Bon Accord members also attended the Alberta Community Art Clubs Association annual meeting at Corbett Hall, U of A on Saturday, April 16. Local members who have held positions on the executive of the Association for the past four years have now completed their term of office.

Sturgeon Regional Recreation Council

FASTBALL UMPIRE CLINIC
APRIL 23 & 24

TIME: Saturday, April 23, 9 a.m. to 3 p.m., Sunday, April 24 - 9 a.m. to 3 p.m.

LOCATION: Sturgeon Regional Recreation Office, Morinville.

This course will cover all

aspects, rules, and 77 rule changes for fastball. It will also teach the technical area of umpiring. At completion of this course you will receive your 1977 Alberta Fastball Umpire Card.

Instructor - Laurie Rasmussen. Final Registration Day - Thursday, April 21st.

Calahoo Locals

By Liz McLeod

Even though we have had such a beautiful winter, it didn't stop folks from going on holidays. Mrs. Bertha Berube, Mrs. Alice Majeau and Mrs. Mary Verstraete have recently returned from a lovely holiday in Honolulu. A great many from this district have visited Hawaii this year.

Herbert and Herta Bergstreiser, formerly of the Calahoo district, and now living in Edmonton, also enjoyed the Hawaiian holiday. Herb got home before he became ill and was rushed to the Royal Alex Hospital and underwent surgery. We are happy to hear that he is on the mend and should be home soon again.

Ken and Sybil Thatcher enjoyed their month's holiday in Florida, even though the weather wasn't as warm as usual. Their son Scott, looked after home and chores in their absence with grandparents John and Addie Thatcher home and on hand to offer their service if necessary.

Mrs. Mary Flaherty of Onoway, went up to Dawson Creek to care for the home and grandchildren so her son John and his wife Vivian (Butch) could also enjoy two weeks in Hawaii.

Carl and Adolina Bergstreiser of Green Willow district, have just returned from a wonderful holiday, going on a chartered bus tour into Vancouver, south across the border, down to California and Las Vegas, to name a few points of interest. Former Calahoo residents, Eugene and Dora Hoefle, now of White Rock, B.C.,

were on the same bus.

While in Vancouver, Carl and Lina were able to visit with a former neighbor, Mr. Alex Harter, who farmed in Green Willow district many years ago.

Louis and Natalie D'Hoedt of rural Calahoo, accompanied by Louis's parents, Jack and Mary D'Hoedt, now of Stony Plain, spent a pleasant few days by flying south to Las Vegas for a well earned holiday and fun in the sun.

Napoleon and Maren Majeau and Norman of Villeneuve district spent a few days visiting their daughter Judy, and her husband and family, Mr. and Mrs. K. Gardner of Sylvan Lake, Alberta.

George and Mary McLeod and Beekie and Jean were visitors at their daughter Nancy and her husband Harold Christen's home in rural Calahoo on Good Friday and visited with their grandchildren Maxine and Robert.

The family enjoyed a bonfire and wiener roast, and a stroll with the children, on which they visited George's brother Pete and Liz McLeod. The McLeod's were going to visit their children, Doug, Lillian and Cameron McLeod in Spruce Grove, and later brought their grandson home for the weekend.

On Easter Sunday, Doug and Lillian came to the Pete McLeod's and together they went to Lillian's grandparents, Mr. and Mrs. John Haenschke in Westlock. They were joined by her parents, Sam and Violet Klaus, Harold and Allan of Onoway and her uncle, Walter Haenschke from Ed-

monton.

To celebrate her birthday on April 6, Mrs. A. Mary Quintal invited her sister Kay Krupa from St. Albert and her father, Mr. Frank Gawron who stays with the Krupa's these days to dinner. She was delighted to have Kay's daughter Sharon, Mrs. Tom Toser, and their son, Jason, accompany them. In the evening Black and Mary enjoyed having more relatives and friends in to make this day memorable.

Mr. and Mrs. Pete Mc-

Leod spent an enjoyable day visiting Felix and Martha Pischinger at Peavine, Alberta recently to honor the newlyweds, Felix's son Gus and Gisele, who were married on March 3 and then honeymooned in California for three weeks.

This day and the sumptuous buffet dinner, gave the uncles, aunts and cousins an opportunity to congratulate the couple as well as meet Gisele's parents, Mr. and Mrs. E. A. Michon from Edmonton, as well as Jack and Darlene Hayer and family, from Barrhead.

Thirty-six happy relatives and neighbours and Mrs. E. R. Reddish, Bill and Phyllis Fischer, enjoyed the occasion.

The cash bingo that was held in Calahoo Church basement on Thursday, April 14 was well attended with 66 people enjoying the evening and hoping to win a prize.

Those lucky recipients were: Trent Berube, Helen Quintal, Sandy MacDonald, twice; Erma Cust, Henry Kerehof, Addie Thatcher, Diane Doerksen, Vic Albrecht, Gail McMillan, Mar-

lene Brenneis, James Cust and Cecile Berry shared; Laura Boddez, Hubert Quintal and Judy Desharnais shared; and Deanna Doerksen.

Lunch and friendly visiting followed. James and Erma Cust were asked to stand and take a bow, as April 14 was the date of their 40th wedding anniversary.

The members of the Calahoo Women's Institute wish to thank each and everyone for attending and \$48.50 was realized.

All proceeds will go to Cancer Research.

Goldenagers meet in Gazebo

By Liz McLeod

The Senior Citizens of Calahoo gathered in the Gazebo for an impromptu meeting Wednesday, April 6, at 1:30 p.m., with 29 happy neighbors and friends, enjoying playing cards.

How wonderful it was to have our very fine gentleman and neighbor, Mr. Frank Gawron in our midst this afternoon, and what a rousing welcome he received, everyone being thrilled with his presence.

The meeting was called to order by President Mrs. Glenn Berry. Secretary, Mrs. John Thatcher read the minutes, and Treasurer, Mrs. James Verbeek gave her report.

Then discussion arose and a lengthy meeting was the result.

It was then decided to purchase chairs, tables and a coffee urn and let the executive decide and do the ordering.

There was quite a bit of correspondence including a letter from Charlotte St. Germaine of Sturgeon Regional Recreation Council.

There was also a brochure about an opportunity to go on a tour June 6 - 10 with Fort Saskatchewan Senior Club in charge of arrangements. Any interested person could phone 998-2563 afternoons or evenings, for information. There are only 10 seats available now the bus is filled but they will try to fill another bus and leave on June 20 to 24 as many still wish to go. Please let them know soon.

The tickets for the June 1st barbecue and dance at the Red Barn were available today.

A bounteous lunch was enjoyed and a candlelit

birthday cake was set before Mr. Carl Bergstreiser and all arose and sang Happy Birthday to him after which he blew all the candles out.

All said hello to Mrs. John

Kay Krupa, her daughter Sharon Toser and grandson, Jason, where they came to pick Kay's father up after this delightful afternoons

visit.

The next meeting will be held in the Gazebo on Wednesday, April 27 and visitors are always welcome.

Legal Locals

By Bonnie Pelletier

A minor hockey banquet will be held for the fathers and sons and for the mothers and daughters on Friday, April 22 at the Legal Community Hall. The supper will begin at 6 p.m. and to be followed by presentations. A report will be given on the winners of the trophies.

A first for Legal! Saturday, April 23 the Legal senior hockey club will hold a car rally. There are 30 entrées (now closed) participating. Each car is permitted one driver, one navigator and two

passengers. Speed is not the object of the contest. Importance will be to stay on course and to stay on time according to the written directions and instructions. There will be trophies awarded to closest entry to arrive at destination. The judges will be at two separate points of the course. The trophies are donated by Carling O'Keefe and it was mentioned that if this particular rally is successful it could turn out to be an annual event. The title given to this event is "The Blue Machine Rally." A prize will be given to the best dressed car and also to the best dressed person. Judges will decide.

The Legal Co-op Association annual meeting is to be held at the Legal Community Hall on Thursday, April 28 at 8 p.m.

Register your child now for playschool classes in October. Child must be five years of age before February 28, 1978. Contact R. Parent at 961-3647 or L. Montpetit at 961-3880.

Playschool graduation will be held at the School Gym on April 28th at 7:30 p.m. Everyone is welcome.

Our next Lion's Club bingo will be held on April 27 at 8 p.m.

The last bingo held on April 13 netted the following winners: Pat Bate, Gwen Fedsberg, Paulette Dube, Mrs. Leo Regimbald, Stella Pelletier, Mrs. Remillard, Monika Beile, Mark Vansevenandt, Elaine Turenne, Martha Riopel, Germaine Gagne, Claudette Ouellette, Alma Boisvert, Shirley Derrien, Pat Charrois, Marie Paquin, Leo Regimbald, Joyce Pelletier, Mary Henschel, Dawson Creek, B.C., Janice Lamb, Maryln Fizer and Joanne Morin.

The \$77 jackpot was won by Lea Thomas.

There will be entertainment at the Legal Hotel on Friday and Saturday, April 22 and 23. The band is called

Julius Punko and The Happy Wanderers of Rochester.

Do not forget the Legal Lions Club is holding a hard time dance this Saturday, April 23 at the Legal Community Hall starting at 9 p.m. Music will be by the Rusty Nail. Prizes will be given to best costumes. Come have a good time. The proceeds will go towards the curling rink and artificial ice project.

MFC MEMBERS WRITE T.V. STATIONS

The last MFC meeting was held at the Recreation Centre on April 4 with 18 members present.

The President, Irene Rivard, started the meeting with a prayer. Father Bissonnette then read the gospel and a discussion followed. The minutes of the last meeting were read by the secretary. Madam President then gave a report on the two days of conference held in St. Paul.

We were told that a film on drugs and their consequences is available if enough people are interested.

Mrs. Paul Chauvet volunteered to give a talk on birthright at our next meeting.

Mrs. Lucienne Montpetit said that if enough members are interested a visit to the parliament building, while parliament is in session should be arranged.

We then formed groups and wrote letters to the different television stations praising them on their good program and pointing the violence and poor taste of others.

Coffee was served and the meeting was adjourned.

NOTICE - Effective immediately Legal Locals new reporter is Bonnie Pelletier. With my new position of managing Curly's Fabric and Variety Shop, I feel it is only fair to pass on my task to someone else. I enjoyed being the local reporter and I wish to thank all the people for their kind co-operation. You can contact Bonnie at 961-3939.

Connie Maurier.
